2011 Calendar – Order Form

Two different calendars will be available for 2011, one of Wichita Kansas images, and the other of scenes from American Landscapes. The full color calendars open to 10x20″ wall calendars. Each month will have an image on the top page, with the calendar on the page below.

As in previous years, the profits from the sale of these calendars will be donated to a local charity.

The cost of the calendars will be $20 for 1 calendar, and $18 for each additional calendar. You may order the same calendar or a combination of the two. Orders will be taken until December 1, 2010, after which the order will be placed with the press, so as to distribute the calendars by December 15, 2010. (Calendars delivered by mail or personally.)

Your calendar order must be prepaid for your calendar(s) to be ordered.
