Home Education Verification

Thank you for choosing to apply for admission to Daytona State College. In order to comply with the Florida Department of Education's guidelines governing enrollment in college level courses, we must have the following verification completed and notarized.

Return this verification to the Admissions Office along with your Application for Admission. Students who wish to satisfy a foreign language requirement using high school coursework are required to submit an official transcript demonstrating they have met the requirement. If you are unable to complete this verification, you will not be eligible for enrollment until you receive a state-issued GED or standard high school diploma.
