

Application for Replacement Diploma

This form cannot be submitted electronically.

Please type in the required information, print, sign, and mail to the address below.

The Office of the University Registrar will order replacement diplomas if the original has been damaged or lost, or if there has been a change of name. You must provide proof if your name has been changed by filling a Name Change Affidavit form. In the case of an additional copy of your diploma for legitimate professional purposes, a one-time request can be made.

Note, because this is an official document, only the original recipient of the diploma may request a replacement copy.

Enclose with this application a \$75.00 check payable to the University of Richmond, as well as copies of two (2) ID proofs from the following choices: passport, birth certificate; driver's license, or social security card. In addition, verification of your signature by Notary Public is required.

Replacement diplomas display the signatures of the current University of Richmond President and Dean of your school but show the original date of the award.

Please type or print neatly.

I hereby certify that my original diploma was lost or damaged or I have changed my name.
