Operation Identification

Personal Property Inventory Form

List all of your important valuables by description (make, model, color, size, etc.) and by serial number. Also note the location where you have engraved your personal identification mark. The most effective number is your state driver's license number. Put the abbreviation of the state it was issued in after the number (e.g.: XXXXXXXXXX OK).

Description (make, model, color, etc.)	Serial Number	Where Marked
