

ACADIA UNIVERSITY STUDENT EXCHANGE APPLICATION FORM

**UNITED KINGDOM – UNITED STATES – FRANCE – SPAIN –
GERMANY – AUSTRALIA**

(Please read this section before completing the application form.)

The Acadia University Student Exchange Program is open to undergraduates entering the third year of a four-year degree, carrying a CGPA of 3.0 or better. Participants register and pay tuition and student fees to Acadia, then travel to a university abroad to study for one academic year. Students are expected to carry sufficient courses to maintain full-time status while attending the host institution, the details of which must be determined in consultation with, and approved by, the appropriate academic personnel at the home institution.

To be complete, your application must contain:

- 1) the completed application form
- 2) a reference from a person qualified to evaluate you; a person who has taught or supervised you recently. This reference should be sent direct to Mrs. Rosemary Jotcham, Registrar
- 3) Approval of your dean or director

Please note that students carrying Acadia scholarships may use this money to pay their tuition fees to Acadia.

The deadline for application is **January 27, 2010**, for participation the following autumn. If your application is accepted, it will be forwarded to the appropriate host institution. Acceptance is not guaranteed. Under the terms of the exchange program, host institutions have the right to accept or refuse any application on the basis both of academic suitability and/or the availability of space in the course of study selected.

The first installment of tuition is due September 1, with the remainder due by January 1.

Any acceptance is conditional upon successful completion of the courses in which you are enrolled for the current academic year.

APPLICATION FOR THE ACADIA UNIVERSITY
STUDENT EXCHANGE PROGRAM

Name: _____

University applying for: _____

Student Number: _____

Present Address: _____

Present Telephone: _____ Valid until: _____

HOME Address: _____

Home Telephone: _____
