**Race 1 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**3 WANNA ROCK N ROLL** recently entered the Shawn Robinson barn and has turned for the better. The Rocknroll Hanover miss has a 1-2-2 record in her last five starts since the barn change and is fresh off a win last week in this class. She has terrific gate-speed, which is usually applied and will begin from an inside post with her regular pilot. Don't expect a price on this four-time winner to kick-off the card.

**1 PALM BEACH HANOVER** is a main threat in this class once again as the Somebeachsomewhere filly has been knocking on the door in recent outings for trainer David Menary. The two-time winner is a logical option for the exactor as she's failed to win as the favourite in three of her last four starts. She begins from the rail, gets Scott Zeron aboard and will offer a low price.

**9 RIVETING** continues to offer quick speed and has a good record this season for trainer Eric Adams. She shows a lot of versatility and often times will offer a higher price for driver Mike Saftic. If she can be well-positioned in the early stages of the mile, I like her chances. She sat in the two-hole last week and was game right to the wire. Perhaps similar tactics will be applied.

**7 VAL DI NOTO** was carrying a three-race win streak coming into last weeks contest. The Rocknroll Hanover filly was assigned a post 10 start and was a non-factor as she went to the back of the field. With a better post this week, different driving tactics may be applied. She has quick gate-speed, which has been displayed in recent weeks and the well-bred youngster has the speed for this class and gets an O'Brien Award winning reinsman.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

**(2) NINE LIVES HANOVER** was a winner two back at a lower level and wasn't a threat last week after making a break before the start. She'll aim for a turnaround effort.

**(4) POPPIES PRIDE** went a tough trip last week for trainer/owner Dave Tyrrell. The Western Ideal lass is versatile, draws inside and has some upside to her.

**(5) DAZZLE N DELIGHT** recently entered the Dale Heard barn and has showed quick speed while racing off a helmet. She has some potential for the perfecta.

**(6) JUDY JETISON** hasn't been at her best in recent week and will start from the same post. Expect a price.

**(8) GLASS IN THE SAND** has hit the board in two of her last three and is capable of a better effort than last week. Her 0-for-18 record is a factor.

**(10) NOBLE JILLY** tends to get away too far back and close very strong. Post 10 doesn't do her any favours and she'll need to be at her best.

**Race 2 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**2 P L HALWAY** will get my top selection in this wide-open contest. He draws inside, and drops in class for trainer Matt Dupuis. The gelding doesn't have the best record this season from five starts, but has shown flashes of quick speed and if he can mind his manners, he's capable of getting a big piece of the pie. Christoforou will be aboard once again this week, which is a plus and this colt is worth a look if the price is right.

**9 YANKEE PUZZLE** has hit the board in three of six starts and raced very strong in her latest in this class as the filly closed from ninth-to-third from a post 10 start. The sophomore is versatile and has been much better since returning from her mini vacation. She'll likely offer a lower price than last week and has some upside to her in this same class.

**10 CAPTURETHEMEMORY** once again will begin from the outside for the third week in-a-row. The Per Henriksen trainee has the speed, but will need to put a full mile together. She comes out of the Ontario Sires Stakes Grassroots series and into this much more suitable class and likely will offer a price based on her post position.

**1 CHEVIOUS DAN** makes the move back onto this circuit after racing at Georgian Downs and the sophomore gelding has hit the board in three of his last four starts. Driver Mike Saftic will likely use the rail to his advantage and perhaps use his gate-speed to dictate where he'd like to be positioned in the early stages of the mile. Expect a price on this Rene Bourassa trainee in this formless field.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

**(3) FEDERAL ARMY** is fresh off a second-place finish at Grand River Raceway following a tough trip and has hit the board in two of his last three.

**(4) LITTLE BABY PEANUT** moves onto this circuit, draws well and gets Scott Zeron in the bike. She'll need to mind her manners to be effective.

**(5) STEEL RESERVE** qualified well in his most recent outing and will face older horses. If he can shave a few seconds off his qualifier, he's very competitive in this field.

**(6) CHASE THE WIND** drops out of the Ontario Sires Stakes Grassroots program and also received a better post this week for owner/driver Mike Wassilyn.

**(7) CLIMB HIGHER** has shown flashes of quick speed and has some upset potential if the race sets up correct. He closed well last week for MacDonald.

**(8) STUARTS DYNASTY** will make just his third career start and will begin from the outside. He's a longshot and will offer a high price.

**Race 3 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**4 POLK DOT HANOVER** drops into a condition claimer for the first time in her career for trainer David Menary and the Western Ideal filly will look to capitalize. She hasn't been on form since her victory on June 27 in the second leg of the Town Pro Series and should fare out better in this easier field. Rick Zeron will be back aboard this three-time winner from a favourable post this week.

**5 SHANGHAI MIMI** has been racing against condition foes in each of her last three starts on this circuit and will also make her way into the claiming ranks on this occasion. She shows the speed needed for this contest, comes out of the Marcel Barrieau barn and shows a lot of versatility in this short field. She may offer a price with her recent lines and perhaps tonight is the night to capitalize.

**1 MISS DOLLAR MAM** will make her debut for new trainer Carmen Auciello and has been blessed with the rail in this dash. She has been racing well at Rideau Carleton and possesses quick gate-speed, which likely will be applied as she appears to race at her best on the front. She steps up in class, but is capable with the barn change and solid record this season.

**6 BLUEBIRD CREEK** has hit the board in two of her last three starts and makes her way onto this circuit. She's been racing primarily at Georgian Downs and putting up solid miles on the five-eighths oval. She kicked home very well in her latest with a :27.4 final frame and although she's just one-for-19 on the year, she's a good option for the superfecta.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

**(2) ODDS ON CYGNUS** is a mare we don't know much about as she's been racing south of the border, but shows quick speed and has some upset potential for trainer Ben Paquette.

**(3) THEABILITYOFREASON** doesn't have the best record this season, but is coming into this dash fresh off a fourth-place finish and likely will offer a price.

**(7) ONE LAST BONO** will begin from the outside post seven and gets the circuits leading driver Chris Christoforou.

**Race 4 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**3 LIFE IS A BEACH** gets a few things in her favour this week which should make her more effective. She begins from a much needed better post after drawing outside in each of her last two starts. She also drops in class for trainer Jeff Gillis and the daughter of Somebeachsomewhere will appreciate the easier field. She continues to finish off her miles very strong and should be well-positioned this week for Hall of Famer Steve Condren turning for home.

**2 ARTISTIC FUSION** made a much better impression last week in her second start for trainer Joe Agostino. After racing south of the border the Artistic Fella filly joined this circuit and found class relief. Last week she was a game second, beaten a neck, in 1:55.2 at this level. She draws well again this week, gets Scott Zeron in the bike and likely will offer a low price.

**8 OK GODIVA** comes from the Mark Steacy barn and raced very well last week. She tends to race inconsistent at times, but shows a lot of versatility and was beaten less than two lengths last start in this class. She will get a new pilot this week in Clarke Steacy and this well-bred daughter of Well Said is capable of overcoming post nine.

**4 P L HURRICANE** is fresh off a four length romp in her latest with the track listed as sloppy with a four-second variant. She draws well once again this week, gets Phil Hudon in the bike and is capable of a speedy effort on this oval. She will make just her sixth career start and has already posted a pair of wins. I'm not convinced that she can win, but an option for the superfecta and a longshot play to kick off the Pick 4.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

(1) **IMA HOLY TERROR** gets the rail to her advantage this week for Hughes & Young. She should receive a cleaner trip this week.

(5) **NASHVILLE BLUES** has some upside to her with her gate speed and Drury aboard. She'll need to be better in here.

(6) **CANACO XENIA** enters the Gerald Lilley barn and enjoys being put into the race. She begins from the middle of the gate and will offer a price.

(7) **WHO SAYS THAT** has been racing in the OSS Grassroots in two of her last three starts and gets Billy Davis, Jr. aboard.

(9) **D G NICKABOCKER** has missed the board once from six career starts, is versatile and will need to overcome post nine.

(10) **ROCK BE A LADY** has been assigned post 10, which isn't easy to overcome. I'll wait for a better post in just her fourth start of her career.

**Race 5 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**1 HOMEN DRY** made a big step last week with a winning effort in the second leg for trainer Brad Maxwell. The Credit Winner colt was well-driven by Chris Christoforou and has been blessed with the rail to his advantage this week. The \$19K yearling purchase continues to mind his manners and finish off his miles in fine form. Trainer Brad Maxwell will look for his second trophy in this series as he captured this event (formerly Bridger) in 2007 with Windsong Espoir (1:55.3 - \$765,386). The Guelph resident will send out a trio of starters in this years edition.

**5 BOLI** continues to improve with each outing for trainer Nifty Norman and driver Rick Zeron. The \$110K yearling purchase is out of the Grand Circuit mare Pizza Dolce (1:52.4 - \$668,824) and a half-sister to Miss Paris (1:54.2 - \$869,923) Bella Dolce (1:54.2 - \$753,133) and For You Almostfree (1:53 - \$372,809). The young colt comes from top connections and if he minds his manners, he has a lot of upside. He's due for a win and it may come in here in just his third career start.

**7 JETPEDIA** has been the favourite in each of his last two starts for trainer Gregg McNair. After winning the first leg in a three-length romp, the Muscle Hill rookie gave way in last weeks second leg and had to settle for third. He enjoys using her gate-speed, gets Saftic back aboard and the talented trotter is a top threat for the triactor.

**3 SOUTHWIND STRYKER** is another entry for trainer Brad Maxwell. This cold by Muscle Hill might provide a high price and if he does, he's worth a look to complete the superfecta or as a longshot play. He shaved numerous seconds last week off his qualifier in just his first start of his career. He was impressive in my eyes despite not winning as he closed from tenth-to-fifth with a credible final quarter and quick back-half speed.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

(2) **LOOKSLIKEACHPNDALE** will get Scott Zeron in the bike for the final and receives a better post this week.

(4) **BIG RICH** shows the speed and should receive a cleaner trip this week. He was a \$42K yearling purchase and gets Condren in the bike.

(6) **MONOPOLY BLUE CHIP** raced very strong in the opening round before making a break last week. He'll aim for a rebound effort.

(8) **HEMI SEELSTER** has won three of six this season for trainer John Bax. He has the speed and gets MacDonell in the bike this week.

(9) **ONLY MY WAY** doesn't begin from the best post, but he's versatile and comes from the Bardier, Jr. barn.

(10) **FEATURED ILLUSION** will need to overcome post 10 and will need to be at his best. He'll offer a high price in this final.

(Note: The Define The World Series (formerly Bridger) has been won in recent years by O'Brien Award winners such as Windsong Espoir (2007), Federal Flex (2008) and Wheeling N Dealin (2012).

**Race 6 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**2 MAJESTIC GINGER** is fresh off a winning effort in this class from one week ago and is very capable of doubling up for driver Clarke Steacy. This talented mare was carrying a three race win streak prior to a pair of miscues which forced the connections to qualify the Majestic Son miss. Since then she has found her winning ways, remains at this same level and begins from an inside post. She'll likely be the favourite when the gates unfold.

**6 HUNKOFBURNINLOVE** has finished second in each of his last two starts in this class and has hit the board in three of his last four. He begins in the middle of the gate, has a good record this season and enjoys being put in the race in the early stages of the mile. He continues to show quick speed, versatility and he may come at a fair price.

**7 SO NOT COOL** has the speed, but will need to mind his manners for trainer Ben Baillargeon. He captured the Tie Silk final earlier this year at Woodbine then followed up that effort with his 1:54.3 career best, but since then hasn't been on form. Perhaps tonight is the night where he bounces back with a game effort. If the price is right, he's worth a chance.

**10 LILY PAD HANOVER** has a good record this season and has displayed quick gate-speed over the B tracks in Ontario. She's been very consistent with her efforts this season and may offer a fair price from the outside this week. She raced terrific last week in this class from a post seven start as she received an inside trip. She has the speed and gets driver Scott Coulter in the bike.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

**(1) MIYAGI HANOVER** draws inside, comes from the Auciello barn and gets the rail in his favour.

**(3) MAJESTE DUHARAS** qualified well on August 12 and begins from the inside. She'll need to mind her manners to be at her best.

**(4) EST NON ILA DULCIS** has been a fringe player in this class for many weeks and is capable of a big effort.

**(5) MUSICAL SPELL** drops out of the OSS Gold Series and faces an easier bunch. He's worth a look if the price is right.

**(8) STORMONT KATE** has a terrific record this season and has been very consistent this season at the B tracks. She's versatile and drops out of the Gold Series.

**(9) COLOR SPLASH** hasn't been on form in many weeks and will need to be at his best. I'll pass this week and look for a better effort.

**4 MINESTRE HANOVER** put forth a sub-par effort in his most recent outing, but he'll begin for new connections in conclude the Early Pick 4. He's won two of his last three starts and will now debut for trainer Corey Johnson. He draws inside, shows a lot of versatility and gets Waples in the bike. He was a convincing winner two back from a post 10 start and is certainly capable of a rebound effort. Don't expect a price.

**5 USEFUL HANOVER** draws in the middle of the gate and was a game second last week in this class. He raced very strong considering he got interfered with in early portion of the mile and responded nicely. AMac will likely take advantage of the favourable post and despite a poor record this season, the son of Western Ideal has been better in his last two.

**8 P L GYRO** won this class last week to earn his first win of the season. He was 0-for-25 prior to last week, so I'm not confident getting on his band wagon and expecting another winning effort. He has been much better in his last few starts with his on-the-board efforts and continues to finish off his miles very well. He's capable of another big effort and is worth a look if the price is right.

**10 WORLD PEACE** has a good record this season, comes from the Travis Umphrey barn and has excellent gate-speed to overcome post 10. The Major In Art youngster continues to offer a low price as of late and is worth considering for the Pick 4 if your budget allows it. He has a lot of upside, gets Davis, Jr. in the bike and scored a new lifetime best just four starts back.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

(1) **A AND GS BADBOY** doesn't have the best record this season, but gets the rail and will offer a high price.

(2) **TASTES LEGACY** made a miscue last week in this class, but is capable of a rebound effort with an inside post.

(3) **RED MIST** will make his second start of the season for trainer Tim Myers and starts from a better spot. I'll watch on the sidelines this week.

(6) **BUGGER MAX** has the speed and has been racing well at Georgian Downs in his last two. He'll need to be better on this bigger oval.

(7) **WOGGY ROCKS** went a tough trip last week in this class and is a better horse than he's been showing. He has some upset potential with a better trip.

(9) **BIG BAD GEORGE** will debut for new trainer Walter Whelan and this Badlands Hanover gelding has a good record this season. He enjoys racing off a helmet and is a six-time winner already this season.

**Race 8 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**8 MR LINDY** comes from the same maternal family as Lindy Lane (1:53 - \$895,110) and is a perfect one-for-one to begin his career. The Cantab Hall colt qualified twice at The Meadowlands last season, before the connections elected to pull the plug on the season. He's responded well so far this season with a pair of winning qualifying efforts prior to last weeks 1:57.2 open-length score. He enjoys being involved in the early stages of the mile, retains driver Rick Zeron and is capable of the slight class jump.

**2 RAGAZZO DOLCE** draws inside and was used three times in the mile last week for driver Tony Kerwood. The Muscles Yankee gelding was a \$26K purchase recently at The Meadowlands Mixed Sale and shows an improved effort last week for high percentage trainer Robbie McMillan. The Muscles Yankee gelding is a top threat in this class if he can mind his manners and receive a clean trip.

**4 CAVIART GRIFFIN** has hit the board in three of his last four starts for trainer/driver Dustin Jones. Last week the Muscle Mass gelding finally drew inside after five weeks of outside post positions. Jones will likely have him active early in the mile and this youngster continues to remain a threat for the triactor. He has the speed, versatility and is capable of the slight class increase.

**6 MARIO BI** added lasix to his program last week and turned in a better effort for trainer/driver Per Henriksen. The Andover Hall colt has a history of making breaks and will need to mind his manners again this week. Henriksen is a very capable of horseman and the one-time winner has some upside for the superfecta. He's versatile, begins in the middle of the gate and should offer a fair price.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

**(1) SAS WARKENTIN** hasn't been at his best in recent weeks and will need to be better in here. He drops out of the Gold Series and into a more suitable class.

**(3) YOOUKILIS** has been racing very consistent in recent weeks, draws well and has some upside to him.

**(5) HIE BENNY** hasn't been himself as of late with his costly miscues throughout the mile. I'll wait for a clean line.

**(7) WIRE ME CASH** also hasn't been on form as of late. He's hard to consider with his recent past performance lines.

**(9) ALL MUSCLED UP** has been racing very well at the B tracks in Ontario considering he has a history of making breaks behind the gate.

**(10) CANBEC KADENCE** will need to overcome post 10, but hasn't been at his best in recent weeks and will likely offer a high price.

**Race 9 Selections by Greg Gangle****THE HORSEPLAYERS JOURNAL**

**4 MITT JAGGER** was ultra-impressive in his career debut on August 14 as the rookie pacer scored an open-length victory in 1:53.1 for Team Young. He faces some of the same rivals as last week and a few others, which he's capable of defeating. The Rocknroll Hanover youngster is the first foal out of Artimittateslife (\$997,901), who was a Grand Circuit filly in 2007 & 2008. This colt is eligible to the Metro Pace with eliminations beginning this weekend, but trainer/co-owner Bob Young elected to bypass the rich contest. The homebred faces a few other tough competitors this start and can only improve off last week's effort.

**3 PENJI HANOVER** was a \$120K yearling purchase and will make his debut on this circuit in this contest. The Tony Alagna trainee draws well and has been much better in each of his last two pari-mutuel starts. He has been recently timed in 1:54.3 in each of his last two starts and will need to be better in this contest. With the connections he comes from, top breeding and Scott Zeron aboard, he could be in store for a big mile.

**2 MIGRATE BLUE CHIP** is still looking for his first career win after four attempts this season. He's been racing very well, continues to show quick speed and will get a new pilot this week in Rick Zeron. Last week he sat on the back of Mitt Jagger and couldn't defeat his rival as the favourite. I'm not convinced he can win this contest, but is a top threat for the triactor and superfecta.

**9 ROLLWITHTHEPUNCHES** comes from the Casie Coleman barn, which can't be overlooked and this Sportswriter colt is due for a big effort. He started out this season very strong, but his last two efforts haven't been the same. He disappointed as the favourite two back before suffering broken equipment in his latest. Don't be surprised if he turns things around tonight with a game effort for Coleman & Christoforou.

**THE FOLLOWING LISTED IN POST POSITION ORDER**

(1) **ROCKIN IN HEAVEN** has a good record this season, comes from the Dr. Ian Moore barn and suffered broken equipment last week.

(5) **JETTIN TO VEGAS** was been a recent addition to the Dave Menary barn and will need to be at his best in this tough contest.

(6) **RUSTYS OVERLOAD** made a miscue last week for trainer Mark Steacy, but still managed to finish third, timed in 1:54.2.

(7) **BRIDGE OF STONE** has won three of four starts in his young career. He comes from the Auciello barn and will aim for a better effort.

(8) **MANNY IN SPORTS** has the speed to offer, but lacks the killer instinct in the final stages of the mile. He comes from top connections, shows a lot of versatility and gets Randy Waples aboard.

### THE HORSEPLAYERS JOURNAL

**9 DAMFOOLRMILLIONAIR** likely will get the bulk of attention when the gates unfold in this dash. The sophomore gelding has a terrific record this season and made a successful jump in class last start with a second-place effort. The Muscles Yankee youngster comes from top connections, continues to get Randy Waples in the bike and has the needed gate-speed to overcome post nine. He hasn't missed the board yet this season from seven starts and has won two of his last three.

**3 FANTASTIC FLIRT** moved into the Brenda Lane barn in early May and immediately turned her performance around. The six-year-old mare has recorded a 2-2-0 record from five starts since the private purchase and was a game second last week in this class, timed in 1:54.3. She draws inside once again this week, gets Chris Christoforou in the bike and will aim for another solid effort on this bigger surface. Don't expect 29-1 like last week.

**2 EXEMPLAR** was a winner two back in this class in his 2014 debut and got away too far back last week and wasn't a factor. The gelding will begin from a better post this week, shows quick gate-speed and likely will receive a more aggressive steer from trainer/driver Per Henriksen. The Andover Hall son has a good record over the past two seasons from limited starts and could be sitting on a big effort.

**6 POCKET TRIP** has won half of his 10 starts this season, has excellent gate-speed and trainer Kelly Goodwin has enjoyed another successful campaign with a .417 UDRS. The four-year-old has been knocking on the door in each of his last two starts and was a winner three back with Paul MacDonell aboard. The veteran reinsman has been called upon on this occasion and is a logical option for the superfecta.

#### THE FOLLOWING LISTED IN POST POSITION ORDER

**(1) FLIGHT OF THE KIWI** has a history of making breaks in two of his last three starts and will need to be on his best behavior.

**(4) NORTHERN BULLET** appears to heave the speed based on last season, but hasn't returned to top form yet this season.

**(5) RAISE THE CURTAIN** is a colt that I considered ranking higher. He draws well, has the speed and versatility. You can make a case for him with his connections and past performance lines.

**(7) LITTLE RED CHEV** is fresh off a seven length romp at Hiawatha Horse Park in gate-to-wire fashion. He moves onto this circuit and likely will offer a price.

**(8) ALEXANDER LUKAS** was forced to qualify on August 15 and did so in fine form. It's a big step for this gelding into this class, but he gets AMac in the bike and will offer a price.

#### THE HORSEPLAYERS JOURNAL

**1 PORSCHE SEELSTER** gets major class relief as she drops out of the Ontario Sires Stakes Gold series and into this much easier classification. She's also blessed with the rail to her advantage and driver Scott Zeron can dictate where he'd like to be positioned in the early stages of the mile. The connections added lasix to her program two starts ago and the Artistic Fella filly has responded well and has been racing consistent in each of her last five starts. She's due for her first win of the season.

**8 PAID IN CASH** will make just her fifth career start and has yet to miss the board in her young career. She comes from the Travis Umphrey barn, who has had a terrific season from limited starts and this filly has a lot of upside. She was a game second last week in this class from an outside post and was a hard-closing third two starts back. She has the speed, gets Waples in the bike and is a must use for the exactor.

**2 J HIGH** has all kinds of closing speed, but tends to not be in position in the middle stages of the mile. She gets a new driver on this occasion with Billy Davis, Jr. along with a much better post to work with this week. Her record this season isn't impressive, but her final quarter speed can't be overlooked as she's paced home in sub-:28 in each of her last five outings. If Davis, Jr. can have her well-positioned turning for home, she's very likeable in here.

**10 JUSTABIT MEAN** will need to overcome post 10, but she certainly has the speed along with major class relief. She's been very consistent this season and continues to be knocking on the door. That was a big effort on her behalf last week at Georgian Downs with the track listed off two-seconds. She was also timed in 1:51.1 just four starts back and J.D. selected her over #2 & #3 in this dash.

#### THE FOLLOWING LISTED IN POST POSITION ORDER

**(3) P L HULA** has hit the board in two of her last three starts, including last week in this class. She's very versatile and a good option for the Jackpot Hi 5.

**(4) GRACEFUL BEAUTY** hasn't been at her best this season and is hard to include in any ticket her with past performance lines.

**(5) GRACEFUL MELODY** moves into the Sue Marie Gangell barn, draws inside and is very versatile. She may turn in a better effort.

**(6) PEPPERMINT PATTI** is a good option to include for the Jackpot Hi 5 as the mare likely will offer a price to spice up the potential payout.

**(7) ARTISTIC MADISON** has won four straight and five of eight this season. He moves onto this circuit for the first time and is capable of dropping multiple seconds.

**(9) SANDI LYNNE DAYLYN** gets another tough post this week and will need to be at her best. Expect a price on this sophomore filly.

### PLEASE NOTE:

In the unlikely event that bets can not be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites can affect odds and payouts at the remaining sites.

### FEDERAL REGULATIONS AMENDMENT

In the unlikely event prices are posted based on an incorrect official order of finish, associations must stop paying those prices as soon as the error is discovered. The corrected prices will then be calculated and paid, including the correction of all account-based wagers. This change in the Regulations reflects existing standards in the United States.

### CONDITIONS AND ALLOWANCES IN HARNESS RACING - IMPORTANT TO KNOW

The conditions of a race determine whether a horse is eligible to enter. For example many races are restricted to horses that have won a certain number of races or a certain amount of money in a specified number of starts. Many races are restricted to horses entered to be "claimed" (offered for sale) at a specific price.

Allowances in the claiming price itself are given to colts and geldings, four-year-olds and younger and to mares, five-year-olds and younger.

The purpose of the allowance is to keep younger horses more competitive when racing against older and more experienced rivals. Mares are given extra consideration in claiming events because of their potential as broodmares.

The accompanying chart shows what the allowances are, but an example may make them easier to understand. The chart indicates that three-year-olds receive a 50% allowance in claiming races. This means that a three-year-old entered in a \$20,000 claiming race carries an actual claiming price of \$30,000 (50% higher).

In a conditioned (non-claiming) race, a three-year-old receives 25% allowance which is applied to the money conditions of the race. This means that a three-year-old entered in "nw2r40000" can race at this level until he earns more than \$49,999. Making the class for three-year-olds "nw2r50000".

Fillies and mares receive an additional 25% allowance in claiming races. Details of the race conditions and claiming price (if any) are given at the top of each race in the program.

|             | ALLOWANCES CLAIMING RACES | CONDITION RACES                                |
|-------------|---------------------------|------------------------------------------------|
| 2-Year-Olds | 100%                      | 50% on money conditions                        |
| 3-Year-Olds | 50%                       | 25% on money conditions + 50% on 2012 earnings |
| 4-Year-Olds | 25%                       | 25% on 2012 earnings                           |

#### ALLOWANCES FOR PURSE EARNINGS

When Fillies/Mares compete against Colts/Geldings (normally on the trot) Fillies/Mares will receive an additional 25% on the condition of the race. ie: nw \$5,000 (FM \$6,250) last 5 or \$12,000 (FM \$15,000) last 10 starts.

**EXPLANATION OF THE LASIX PROGRAM**

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Ontario Racing Commission passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses. Horses will undergo an endoscopic examination of the trachea by a veterinarian licensed by the Ontario Racing Commission and endorsed by an official veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under the supervision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

- L** Denotes horses treated with Lasix.
- (L)** Denotes horses treated with Lasix today who were not so treated for their last start.
- (L)** Denotes horses treated with Lasix for their last start but not so treated today.

A claim of receiving an incorrect payment or incorrect change must be made to the Mutuel office of the association within twenty four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Ontario Racing Commission with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

Change boards and Photo Finish display monitors are located in the Grandstand. In addition, Photo Finish pictures are shown on the closed-circuit television system.

Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager, customers must present sufficient funds at the time of purchase to cover the wagers requested.

**ENTRIES AND MUTUEL FIELDS**

"Entry" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purpose of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system.

Subject to the Regulations, a bet on one horse of an Entry or Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

**DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)**

A Daily Double bet is a betting transaction in which a purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double.

Should a horse or horses (not coupled with another starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has closed for betting, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in a Consolation Double pool. (Effective Jan 1, 2012)

**EXACTOR/TRIACOR/SUPERFECTA**

An Exactor, Triacor, Superfecta is a betting transaction in which a purchaser of a ticket undertakes to select the first two, three and four horses respectively, representing different betting interests to finish in the exact official order of finish, in the race on which the pool is operated. The above stated pools on races that have an entry (i.e. 1 & 1A and/or 2 & 2B) will not offer a wager combining both halves of the same betting interest. Example: If the same betting interest finishes first and second in an Exactor wager, the Exactor payout will be on first and third.

**JACKPOT HI-5**

A Jackpot Hi-5 bet is a betting transaction in which a purchaser of a ticket undertakes to select the exact order of finish of the first 5 runners in the specified Jackpot Hi-5 race. If there are races that have an entry, (i.e. 1 & 1A and/or 2 & 2B), Jackpot Hi-5 will not offer a wager consisting of both halves of the same betting interest. Example: If the same betting interest finishes first and second in a Jackpot Hi-5, the payout would be 1<sup>st</sup>, 3<sup>rd</sup>, 4<sup>th</sup>, 5<sup>th</sup>, 6<sup>th</sup>.

That jackpot portion of the pool will only be paid out if there is a single winning ticket. If there are multiple winning tickets that have correctly chosen the first 5 runners of the race, they will receive 50% of the pool for that day. The other 50% will go over into the Jackpot carryover. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the Jackpot. There will be a mandatory payout at the end of the meet.

**PICK 3 AND PICK 4 BETTING**

The Pick 3 and Pick 4 bets are betting transactions in which a purchaser of a ticket undertakes to select the official winners of each of three or four successive races specified for the Pick 3 or Pick 4 respectively.

Winning tickets for the Pick 3 and Pick 4 are determined in the following sequence: A) winners of all legs, B) most winners, then refund. If there is a change of surface in any leg that is NOT made known to the public prior to wagering for that pool closing, that leg will pay on all runners. If there are no winners in any leg of a pool, the entire pool is refunded.

**PICK 3 AND PICK 4 SCRATCHES**

In the event a Pick 3 or Pick 4 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be a non-starter in any of the races comprising the Pick 3 or Pick 4, the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for two or more favourites is identical, the selection with the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 3 or Pick 4 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

**REFUNDS**

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display, change boards and our website. The Pick(n) pool shall be cancelled and all Pick(n) wagers for the individual performance shall be refunded if:

- Pick-3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)
- Pick-4, 5 or 6: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one horse of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

**COMMON POOL WAGERING (INTERTRACK BETTING)**

In the unlikely event of a communications or computer system failure that prevents pools from merging with the host track's pools before the end of a race, CPMA regulations require that the site must refund all tickets for that race. This refund will be communicated to the public through various means such as video displays, change boards and messages on our website.

**FAIR START**

If a horse has reached the Fair Start Pole (located 200 feet before the Starting Pole) by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall - a repeat of the entire starting procedure - when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulation concerning refunds.
