

Loughton's Community Tree Strategy

SURVEY FORM

Please complete and return to the address below by 20 February 2011

Trees are a significant feature within the parish of Loughton and many of these grow in gardens within the built up portions of the town, helping to make it an attractive location. In addition there are a considerable number of trees in Epping Forest and in other nearby green spaces.

Epping Forest District Council in partnership with Loughton Town Council is preparing a Community Tree Strategy for Loughton which will be completed by April 2011. Your views are vital as the completed document will capture your thoughts and incorporate your ideas to produce a viable Action Plan to help care for these trees in the future.

As part of this process, it would be helpful if you could spare a little time to answer the following questions:

Do you have access to a garden with trees? Y / N Your Postcode

Do you know what kinds grow there?

If so, what are they?

Have you harvested any fruit from your trees in the past year?

Do you have a favourite or special tree? Y / N What kind is it and where is it?

What does it mean to you?

How many trees have or your family planted?

Where are they?

Do you check on their progress? Y / N If yes, how often?

Do you have any photographs of your favourite trees?

Are you willing to share these? Y / N If so, please provide your contact details overleaf.

Do trees improve the quality of your surroundings? Rating 1 (Low) to 10 (High)

Are there any locations either in streets or green areas within Loughton which could have more trees?

How often do you visit (D daily, W weekly, M monthly, O occasionally, N never)

a) Epping Forest b) Roding Valley Meadows Nature Reserve

c) Home Mead LNR, Debden Green
