51-5060-000-2UNIFORMS

PERMANENT NOTES:
 77 uniform allowances (\$500.00), 4 motorscouts uniform allowance \$500.00 Patches (\$1,500.00), Our basic uniform now cost \$140.00 per uniform. Three uniforms per year costs \$420.00 without boots or duty leather.) Police Clerks (\$300.00), Initial Equipment issues for replacement officers (\$2,850.00) when we have transfers, resignations, retirements, new employees. We were over budget last year since this was not approved.

51-5061-000-2FOUL WEATHER GEAR

PERMANENT NOTES:
 Currently each Officer has been issued a rain suit and a separate cold weather jacket which were issued to them as new hires. These garments are aging and there is a need for gear that will protect against multiple types of foul weather as well as being rated as protective against bodily fluids. This item is also reflective and highly visible both day and night which greatly increases Officer Safety while working in traffic situations. These will last for several years and future purchases would be limited to new Officers until the originals required replacement.

51-5065-000-2PHYSICALS/DRUG SCREENINGS

PERMANENT NOTES:
 Physical examination for 81 officers, Hep B Series for new officers, Random drug Screen 4 per month for 12 months, Pre Employment Physicals, Drug Screens and Psychological Evaluations for replacement officers when we have transfers, resignations, retirements, new employees, etc.

65-5010-000-3COMPENSATION

PERMANENT NOTES:
 The Fleet Maintenance Department is asking for three new hires for the 2012-2013 budget year. These new positions would include two Auto/Heavy Equipment Technicians as well as one Administrative II person. It is necessary for this department to keep up with the geographic growth of the city as well as the increase in fleet size over the past few years. Also, with the city's decision to keep it's vehicles and equipment for longer periods before replacement our department has seen an increase in heavier work loads due to wear and breakage. This added personnel will drop our Vehicle/Equipment to Technician Ratio from 86.67 to 1 to 52 to 1. This change also allows us to seek proper training to keep up with the vast and ever increasing technological growth of the auto industry further benefiting our ability to provide the city with proper as well as effecient fleet service. Thank you for consideration.

Also, due to part-time employee turnover, we will run more screens and checks than with full-time employees. The prices for backgrounds checks vary (\$20 - \$150) based on the number of addresses a potential employee has had. In one instance, the price for the check was more than \$150.

 Funds cover thermal paper for easier and faster Holds processing. This paper is used daily and is expensive (\$3000 for a year's worth).
 The Children's Department now hosts a minimum of 25 programs per month. Supplies are needed for props, crafts, etc.
 On average, \$1000 per month is spent at Office Depot alone.

70-5101-000-5SUPPLIES/LIB PROCESS

PERMANENT NOTES:
 Processing supplies are those items used to prepare new items for check out. Examples include barcodes, labels, stickers, various heavy duty tapes, book jacket covers, CD, audio book and DVD cases and keys. Depending on the item, processing costs fluctuate between \$2 and \$4 per item. Each year, the library adds between 12,000 to 15,000 items to the collection. This year, due to the LSTA grant, the estimated cost for the RFID tags has been removed from this line item. We continue to actively lock all new media. This additional expense that was first included in the 2012/2013 supply budget.

70-5210-000-5MAINTENANCE CONTRACTS PERMANENT NOTES:
 Known maintenance contracts have been placed in the General Budget. These funds serve as a contingency for items that were not budgeted or under budgeted. For example, last year the budget for window cleaning doubled, in order to maintain the library's HVAC system an \$18000 maintenance agreement was needed and this year, we have several technology items as a result of the state grant awarded to the Library Foundation that will require maintenance contracts and agreements.

70-5220-000-5COMPUTER SERVICES/ JCLC PERMANENT NOTES:
 Bills from JCLC continue to be greater than our State Aid funds. In addition, there continues to be no funding available from the Jefferson County Commission. We continue to supplement expenses from JCLC via this line item.

4 Patrol Tahoes are needed to continue our vehicle rotation plan. the Tahoes replaced by the new ones will be used to replace traffic and SRO vehicles.

10 radar units will replace the remainder of the older, out of date units which we began replacing last year.

15 Tasers to continue to equip Officers.

AR15's are needed to equip SRO's and SWAT

Detective and Admin vehicles requested to replace high mileage high maintenance vehicles.

AFIX Fingerprint Identification System- will allow us to electronically submit fingerprints to be matched to prints in a database of prints submitted from other agencies. it currently takes months on major cases and over a year on some cases to get results submitted to the State for comparison. With this system, we would have results within 24 hours. we currently are forced to rely on other agencies with this technology such as Hoover if we need prints compared urgently and our cases have to wait until they make it available.
