

GRAR Volunteer Day

NOW ACCEPTING NOMINATIONS!

Communities are strengthened through the giving of our time and talents. With that in mind, the Grand Rapids Association of REALTORS® (GRAR) organizes an annual Volunteer Day to benefit a local non-profit agency.

This year's Volunteer Day is tentatively scheduled for October 11, 2013, but the recipient is yet to be determined. If you are aware of a local non-profit group, school, charitable program, or other community-based organization that would welcome our assistance, we encourage you to complete and return this form by July 31, 2013.

The recipient will be selected by the GRAR Strategic Relations Task Force and the Task Force will organize the event and promote volunteer opportunities/needs to the membership.
