

Forest Hills Public Schools IN-DISTRICT TRANSFER REQUEST APPLICATION

Procedure: Any student/parent/guardian who is a resident of Forest Hills and would like to request a transfer from the school in his/her attendance area, to a different school in the district, needs to:

1. Complete the In-District Transfer Request Application to begin the process. Applications are only accepted from November 1 - November 30 for current school year and May 1 – May 25 for the following year.
2. Approval of a request to transfer is based on space and services available in the requested school.
3. Requests for transfer may not be related to participation in athletics. Students who transfer between high schools after the start of ninth grade, must comply with MHSAA guidelines, which require loss of eligibility for one semester.
4. If a request to transfer is approved, parents agree to provide transportation.
5. Students previously approved for an in-district transfer, need to reapply anytime they are changing schools/levels (e.g., K-4 to 5-6 or 5-6 to 7-8, etc.)
6. Schools of Choice students are NOT eligible for in-district transfers. Specific programs that the District provides that are in addition to what is required by law, do not have to be made available to students that live outside of the attendance area or who have been enrolled under the District's schools of choice program (e.g., Chinese Immersion program, Spanish Immersion program, environmental school).
