Dear Mr. Peplitsch,

This letter is a request for the City Council to consider vacating the following streets:

- North Tyler Street between East 11th Street and East 12th Street
- South Lincoln Street between West Maple Street and West Walnut Street

At this time both Pershing Elementary and Morton Elementary utilize space across the street from their respective schools frequently during the school day. Vacating these streets will create a safer environment for the students crossing the streets, and giving additional useable space to the Elementary Schools.

If both referred to blocks of North Tyler and South Lincoln were vacated the space would be utilized to create a more efficient system for drop off and pick up at Pershing, off street parking at both Pershing and Morton, safe passage way for students at both Pershing and Morton, and additional play space at Morton.

I would like to thank the City Council in advance for their consideration of this request. If you have any questions please feel free to contact me.

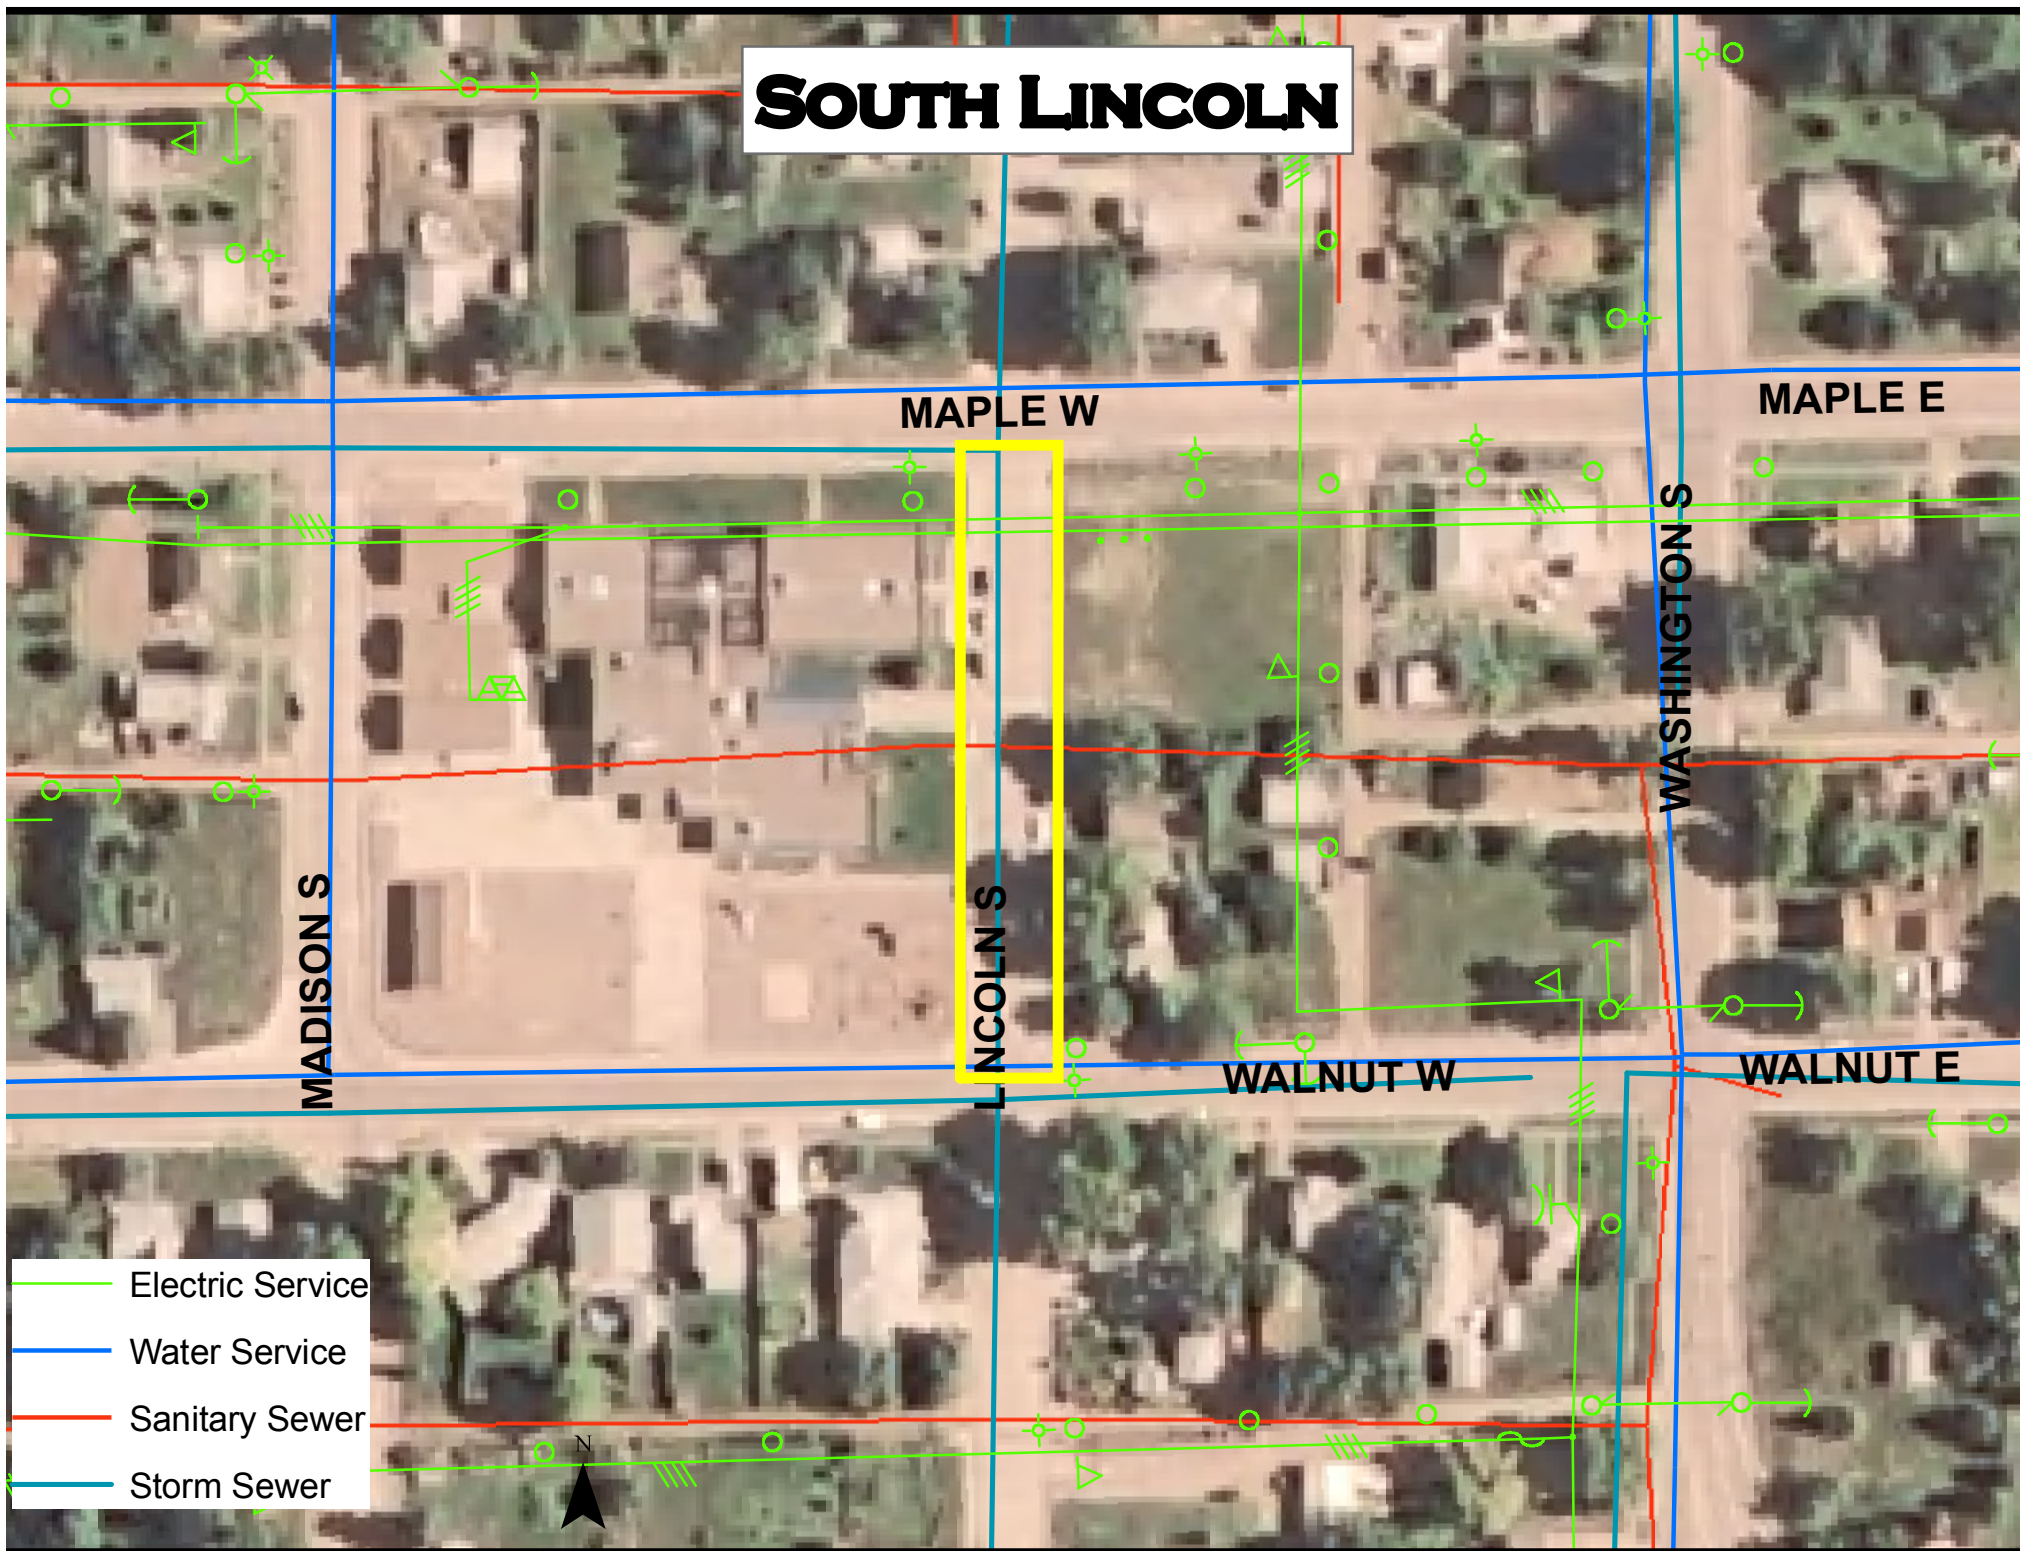

Sincerely,

C. Todd Chessmore
