

2014 YQ300

**Pre-Race
Musher Package**

October 9, 2013

Hello YQ300 Musers,

On behalf of the Boards of Directors and staff in Alaska and the Yukon,
Welcome to the 2014 YQ300 race and 31th Yukon Quest Anniversary!

This **Pre-Race Musher Package** contains some of the information you will need to prepare for the 2014 race. This includes a list of all mandatory meetings and events, list of other meetings and promotional events, copies of all required and optional forms, info sheets and a summary of where to find additional info and documents.

Copies of the 2014 Rules are available in the entry package as well as online.

All documents are available by request in hard copy from the YQ office in Fairbanks.

If you have any questions concerning the contents of the package or about any aspect of the 2014 YQ300, please don't hesitate to call, email, or come by the office.

Sincerely,

Linda

Food Drop Info Sheet

DATE/ LOCATION

Saturday, January 18, 2013 from 12-4pm

LOCATION

In Whitehorse – Kluane Freight

In Fairbanks – Summit Logistics

ABOUT THE FOOD DROP

As part of your entry fee, mushers have use of the Yukon Quest Official Food Drop service. You must ship all dog food, personal items and equipment necessary for the entire race (that will not be carried in your sled at the Race Start) via the Official YQ Food Drop, including food for your dogs before the Race Start and/or after the Race Finish.

FOOD DROP PROCESS

- ~ Mushers (or a designate) bring all marked and numbered food drop bags (along with their list of contents) to the food drop (in either Fairbanks or Whitehorse) on January 18th from 12-4pm
- ~ YQ will issue receipt for the number of food drop bags dropped off.
- ~ YQ commits to frozen storage of all bags.
- ~ YQ ensures delivery of all food drop bags to each checkpoint.
- ~ Food drop bags are organized by race (ie. Yukon Quest or YQ300 - and musher's last name). They are accessible for mushers upon their arrival at each checkpoint.
- ~ Pick-up arrangements (including contact and location) will be made available to mushers and their handlers for food drop bags in the Whitehorse-area and Fairbanks-area.

YQ300 Rules allow mushers to access ONLY food, equipment and supplies for themselves and their team that they have pre-packed and sent to race checkpoints PRIOR to the Race Start.

ADVANTAGES OF YQ FOOD DROP

- **If any food drop bags are crossing the border (ie. you are using the food drop in Fairbanks), the Yukon Quest will secure all necessary import permits to ensure shipping of mushers' food drop bags via the Yukon Quest Food Drop.**
Any materials that are not included in the Yukon Quest Food Drop will be subject to any and all import regulations in place at the time of crossing or shipping across the Canada-US border.
- Ensures that all food drop bags are in place prior to the Race Start. Mushers who choose not to use the Yukon Quest Food Drop MUST take all responsibility to ensure that all of their food drop bags are secured and in place at each race checkpoint PRIOR to the Race Start. This is **NOT RECOMMENDED** by the Yukon Quest as shipping, permitting and securing your food drop bags can be a logistical nightmare.
- Mushers can use the food drop to ship any dog food and supplies you may require the entire time you are away from your home kennel, including pre-race in the Fairbanks area or after the race until you return home.

DESIGNATE AT FOOD DROP

The Yukon Quest recommends that mushers deliver their food drop bags to the YQ Food Drop in person; however mushers may designate another person to deliver their food drop bags to the food drop. Mushers are still responsible for all contents and their delivery.

SHIPMENTS OF BAGS OUTSIDE THE YQ FOOD DROP

Mushers who are not able to attend or do not have a designate to attend the food drop, please contact the YQ office as soon as possible to discuss alternative arrangements.

FOOD DROP PLANNING

The best way to learn some of the planning tips and techniques is to get in touch with more experienced mushers and learn from them.

ITEMS ALLOWED IN FOOD DROP BAGS

You may include dog food, personal food, clothing, batteries, sled parts, and other items you may need along the trail.

ITEMS NOT ALLOWED IN FOOD DROP BAGS

- Straw – **NO straw is allowed**. This is to ensure that all straw used during the race is suitable (some import regulations and some trail areas have restrictions on types of straw allowed). See Request for Additional Straw Form (in this package) for info about straw that is provided and additional straw that can be purchased for checkpoints.
- Fuel – **NO fuel is allowed** including alcohol, kerosene, and methanol. Methanol is provided at checkpoints.
- Firearms, ammunition or any items prohibited by law.
- Any spoiled food products. Ensure that your food drop bags are kept frozen.
- Any gear that does not fit into the bags such as sled runners will have to be sent by your own arrangements.

CUSTOMS

For any mushers coming from Canada or the Lower 48 who are shipping dog food independently or travelling across the international border in your own truck, you may be subject to all general import restrictions applied to the general public. These restrictions may include some of the animal products you are carrying as dog food!

Please be aware that US Customs and Border Protection have current regulations on importing into the country. For accurate information on what you are allowed to ship and take across the border, please see the appropriate websites: US Customs and Border Protection: <http://www.cbp.gov>
Canadian Border Services Agency: <http://www.cbsa-asfc.gc.ca>

FOOD DROP BAG PACKAGING

Race rules state that all food and gear must be in **burlap or woven poly bags**. Plastic bags do not stack well nor do they ride on snow machines well.

Each bag **must be labelled with YQ300, musher name, checkpoint name and numbering** (ie. 1 of 3). Write clearly in large block letters with permanent marker or spray paint. No double labelling of recycled bags!!!

We recommend **sewing bags shut using heavy thread or twine**. Plastic electrical cable ties and regular wire may break during transport. Make sure no loose, sharp ends are exposed. We will not accept any bags that are not labelled or closed properly.

Bag weight cannot exceed 40 pounds. Food Drop bags exceeding 40 lbs will not be accepted and you will be asked to re-pack all your bags. BRING EXTRA EMPTY BAGS. Please be respectful of our volunteers who are hauling hundreds of bags.

IF MUSER DOES NOT FINISH

Scratch: The musher can retrieve or make arrangements to retrieve their food drop bags. If musher or designate cannot retrieve their bags, dog food will be removed to reduce the bulk and weight during transport, and a reasonable attempt will be made to return personal gear to the YQ office in Fairbanks for retrieval. Food drop bags will be emptied of all perishables, and stored by the Yukon Quest for up to 2 weeks. After this, all food drop bags become property of the YQ, and will be discarded.

Withdrawal or Disqualification: Food drop bags will be immediately removed from the checkpoints, dog food will be removed to reduce the bulk and weight during transport, and a reasonable attempt will be made to return personal gear to the YQ office in Fairbanks for retrieval. Food drop bags will be emptied of all perishables, and stored by the Yukon Quest for up to 2 weeks. After this, all food drop bags become property of the YQ, and will be discarded.

FORMS TO BE COMPLETED

YQ requires an accurate list of all food drop bag contents. Ensure that the complete contents of each bag are listed on the **Food Drop Inventory Form** (separate form required for each checkpoint). You will be asked for this paperwork before you begin unloading your food drop bags at the food drop. We cannot accept your food drop bags without your completed forms.

For any additional questions about the food drop, contact the Fairbanks office.

Vet Check Info Sheet

DATE/TIME

Fri Jan 31st by appointment (You will be contacted by our Vet Check Coordinator in January to set a time)

LOCATION

Fairbanks – Alpine Lodge

ABOUT THE VET CHECK

All mushers must attend the Vet Check. As part of your entry fee, mushers have access to all veterinary services provided at the Official YQ300 Vet Check. The Vet Check is coordinated by the Yukon Quest to ensure that all mushers have access to suitable, professional veterinary assessments for all of their sled dogs prior to the race start.

PLANNING FOR THE VET CHECK

The YQ office will contact you in January to set up your YQ300 Vet Check appointment time.

A **maximum of 14 dogs** will be examined at the YQ300 Vet Check.

Microchips

Microchips are not required for the YQ300, however they may be available for purchase at the YQ300 Vet Check (upon availability). Cost is estimated at \$13. Please inform the Fairbanks office immediately, if you are interested in getting microchips.

Vaccinations

You will need to provide proof that all dogs in your YQ300 team have received their vaccinations as outlined in the 2013 YQ300 Race Rules, see General Race Procedure #8. Please ensure that you understand and adhere to the specified dates and vaccinations required.

To Bring

Veterinary Examination Forms with the top portion filled out for all of your YQ300 dogs; proof of vaccinations; and any additional medical history or notes that you have on your dogs can be helpful.

If you have any questions at all about the YQ300 Vet Checks, please contact the Fairbanks office as early as possible.

INFORMATION ABOUT NOTARY**

What is a notary?

A notary public is an officer who witnesses and authenticates documents. The Release and Hold Harmless Agreement requires the musher to sign the agreement in front of a notary public to authenticate the document with their signature and seal. Do not sign the document before going to the notary public.

Where do you go to get Notary?

In Fairbanks, you can go to any bank and get your document notarized. The cost is usually \$5.

In Whitehorse, you can go to The UPS Store, 108 Elliott Street (behind downtown Tim Horton's). The cost is \$5.

The Yukon Quest will have a notary present at the Musher Meeting on Jan 31st.

MUSHER RELEASE AND HOLD HARMLESS AGREEMENT

Please submit this original notarized form to the YQ office or bring to the Pre-Race Musher/Handler Meeting on Fri, Jan 31st.

I, _____ hereby acknowledge the following:
(Musher Name - please print)

I am an official entrant in the 2014 Yukon Quest 300 Sled Dog Race (YQ300); and I am participating in the competitive event entirely upon my own initiative, risk and responsibility. In consideration of the permission extended to me by Yukon Quest International, Ltd. (YQIL) and Yukon Quest International Association Canada (YQIA) to enter and participate in the YQ300, on behalf of myself, my heirs, executors, administrators, agents and employees, I release, hold harmless and forever discharge YQIL and YQIA, and their agents, officers, employees, sponsors and volunteers from any and all claims, demands, action or causes of action on account of myself or my support personnel from any and all claims, demands, action or causes of action on account of my death or on account of any injury to me or my property (including dogs), which may occur from any cause during the YQ300 or any phase of the YQ300, including scheduled events before or after the YQ300, and emergency medical treatment or rescue.

I further release YQIL and YQIA, and their agents, officers, employees and volunteers from any and all claims, demands, actions or causes of action on account of my employees, partners, agents, volunteers or their property (including dogs), used by me in the YQ300 or any phase of it including scheduled events before and after the YQ300 and emergency medical treatment or rescue.

It is understood and agreed that I rely wholly upon my own judgment, belief and knowledge of the nature of the dangers, risks and hazards to life, limb and property inherent in participating in the YQ300. I also understand that there are only four (4) checkpoints at which food, veterinary and other services are available between the starting point of the race and finish point of the race. These checkpoints are Two Rivers, Mile 101, Central, and Circle. I also understand that it is my responsibility to plan, prepare and otherwise organize my personal supplies such as food, fuel, equipment and medical supplies. I further state that I have not been influenced to any extent whatsoever in making this release or in participating in the YQ300 by any statements or representations made by the sponsoring corporations, their employees, officers, agents, volunteers or any other persons representing or acting for or on behalf of them.

It is understood and agreed that this is a full and final release of all claims of every nature and kind whatsoever including claims that are known, unknown, suspected or unsuspected.
