# Yearbook Dedications & Ads

This year our yearbook will be in color. It will demonstrate how awesome our school is and how great our students are. We are offering you the opportunity to send a special dedication to your child. Straight from the heart and into the yearbook! Space is available for any student at NCA. Maybe it is to congratulate a graduate, or tell your child how proud you are! Regardless of the occasion, or age of your student, your special message provides a great way to recognize your son or daughter.

Do you have a business or do you know someone that owns one? Space is also available for special services or any business that you would like to advertise.

A form was sent home this week instructing you how to place a dedication for your child. The form is also on the elementary website. If you need more time obtaining your ad, please send in your payment to reserve your spot. The deadline for all dedications and business ads is **Friday, February 26th.**

This week a flyer went home to reserve your child's copy of the 2011-2012 yearbook. The cost is only \$20.00. All orders must be placed by **Wednesday, February 15, 2012.** Please see the flyer on page 5 for more information and order form.

# Book Character Dress Up Day

## Friday, January 27th

According to an article entitled, "Why is the Habit of Reading Important?"

"The Importance of Reading is difficult to express in words but can be experienced by people from all walks of life. With the advent of modern technology, the Ipod and the X-box have probably overtaken the humble 'Hardy Boys' or 'Tom Sawyer' in managing to catch the attention of young kids. Parents and others would however do well to inculcate the habit of reading in children from a very young age and that will prove to be in good stead for the years to come."

We at NCA want to encourage reading from a young age. In order to get students excited about reading, a Book Character Dress Up Day is scheduled for January 27, 2012. Teachers will be sending home a book report to coincide with this dress up day. A favorite character from the book read for the book report should be chosen and students are to come to school dressed as the character they picked!

Parents, please encourage your child to read and participate on this day!
