

PIZZA FRIDAYS for GRADES 4-8
A middle school fundraiser

The Middle School Pizza program is set to continue into the second semester, beginning on February 3rd and ending June 2nd. There will be no interruption of service as long as forms are submitted by January 20th. Please note that, although the First Semester technically ends on January 20th (a minimum day), we will extend pizza service through January 27th to fulfill our 15-week obligation. Once again, we will offer a choice of cheese and pepperoni pizzas as well as drinks. Prices are provided below.

It is important that you complete this form, indicating how many slices of what type of pizza your child wants and if they want a drink. Calculate your total and make your check **payable to "Hillcrest PTA"**. Please make a "pizza" notation on your check. Your form, together with the check, should be placed in the envelope marked **"PIZZA FRIDAYS"** provided both in the classroom and the main office.

We will try to account for field trips and posted holidays, however, we appreciate your understanding that it becomes a bookkeeping nightmare to credit back unexpected field trips. We cannot credit absences, but always make sure to offer extra slices to our volunteers and staff. Any extra pizza will be available for sale. Thank you for supporting this Middle School fundraiser, which helps defray the cost of our annual field trip among other things.
