than a good book:*

*A good Friend.**

The Friends: Supporting our library and community through volunteerism, fundraising and public advocacy.

The Friends of the Chula Vista Library is a non-profit organization dedicated to supporting our public libraries and the Chula Vista Heritage Museum.

Our members believe that a strong library is the secret to a strong community.

We also believe that providing books and magazines and story times and educational programs for

our residents is a good investment in our community and its future.

Friends volunteers operate book stores at the branch libraries and organize sales of used books to support library programs.

Friends underwrite the Summer Reading Program and cultural activities at the branch libraries.

And Friends serve as a voice in the community, reminding city

leaders of the value of our libraries and the importance of funding library services for our residents.

If you agree that libraries are important, please join us today.

Your membership in the Friends will ensure that our voices continue to be heard.

And your tax-deductible donation will help us provide the excellent library services that our

families and our community deserve.

As a Friend, you will receive our newsletter, *Among Friends*, and information on Friends' activities and events.

Above all, you will have the satisfaction of knowing that you are supporting your library and its role in your community.

Thank you for being a Friend!
