

Jackson Prep

Class of 2012

12th Grade

(please print this out for reference- 3 pages)

Wow! Can you believe we are here at our child's senior year? Our daughters and sons have grown into young women and men before our eyes. It seems like yesterday that they were the new 7th grade class on campus at Jackson Prep. We hope to keep you informed of all the dates and times for seniors and their parents this year. Watch for our e-mails because much more information is coming.

Senior portraits: Hopefully, you've done this already but, if not, please contact Ms. Horrell and schedule your child's portrait today. 601-969-1919 or elhorrell@comcast.net

College Guidance Packet: You should have received a packet from the college guidance office this summer and those forms need to be filled in and sent to the school ASAP! **(They were due July 15)**

Senior Celebration Days: Our senior celebration committee is planning some fun days for our seniors throughout the school year. See below for opportunities to help with these.

Senior Service Project: Our seniors will be helping Neighborhood Christian Center (NCC). NCC offers tutoring and other after school and summer activities for students in the Georgetown Neighborhood of Jackson. Until now, NCC was able to help elementary age children only. Our class will be helping with the renovation of a house across the street from the current facility. This "new" house will be used for *boys and girls in middle school and high school!* Earlier this summer Mary Dunbar and Anne Pringle met with about 20 members of our senior class. They unanimously voted to help NCC and were very excited about this opportunity for their Prep class to make a difference in their age group in the community. As part of this project, the seniors will be hosting several fundraisers between now and October 29 along with a class workday and class lunch, **Saturday, October 29**. While the students will be organizing and leading this project, parent volunteers will have an opportunity to help.

Private Senior Parties: The PAT provides a volunteer to keep a calendar of all the private parties held in honor of seniors so that conflicts are kept to a minimum. Please contact Donna Terry 601-503-5744 fterry7@comcast.net to place parties for your senior on the master calendar.

Grad Night: Our grad night committee is starting to get busy for a fun and memorable time for our seniors. See below for specific opportunities at this time, more opportunities to help with this committee to follow.
