INSTRUCTIONS

Form I-407 is designed to provide a simple procedure to record the abandonment of residence of a lawful permanent resident alien of the United States. It is used to assure that the alien is accorded due process of law and has voluntarily, willingly and affirmatively abandoned lawful permanent resident status. It also assures that the alien is informed of the right of hearing and has intelligently waived that right (in cases involving applicants for admission):

Form I-407 is used by consular officers and immigration officers. It may be used for recording the facts relating to aliens interviewed in person; or by aliens who abandoned status by correspondence; or as an acknowledgement from a third person or agency.

- Item 1. Insert name as it appears on the Alien Registration Receipt Card if the document is presented or the information is known. Spanish surnames should be written in accordance with AM 2703.05.
- Item 2. List actual residence, rather than mailing address.
- Item 3. List by month, day, and year.
- Item 4. This item refers to the date the alien last departed from the United States and not necessarily when he or she abandoned lawful permanent residence.
- Item 5. Indicate mailing address as well as actual domicile, if different.
- Item 6a. This item requires a clear and concise statement in the alien's own words. It must establish beyond any reasonable doubt that the alien has voluntarily, willingly and affirmatively abandoned status as a lawful permanent resident.
- Item 6c. List the date the alien actually abandoned status (not necessarily the date of his or her departure from the United States.
- Item 6d. If the alien is not interviewed, facts relating to information received concerning abandonment of status must be explained in addition to any other pertinent information.
- Item 6e. Signature must be obtained in all cases in which the alien is interviewed. The officer should make every effort to assure that the alien truly understands what abandonment of lawful permanent resident status means.
- Item 7. If the alien is interviewed, the interviewing immigration/consular officer must sign the appropriate line. If feasible, the signatures of a witness, interpreter, if any, and supervisor should be obtained.
- Item 8. For example: "I-151 No. A00 000 000 destroyed (Serial No. 7611459)."
- Item 9. Route Form I-407 to the Files Control Office where the alien's file is located. The "date" block should indicate the date this form is forwarded to the Files Control Office.
- Item 10. If the alien is interviewed in person a copy of the completed form shall be furnished him or her at the conclusion of the interview. If abandonment of residence is accomplished through correspondence or as an acknowledgement from a third person or agency, a copy of the completed form shall be furnished upon request.

INSTRUCTIONS TO THE APPLICANT

(This form must be completely filled out in ink or on a typewriter. This application is for use by a person who has been issued a declaration of intention, a Naturalization Certificate, a Certificate of Citizenship or a Certificate of Repatriation which has been lost, mutilated or destroyed. It may also be used by a person who became a citizen after birth and whose name has been changed by marriage or by order of a court and who desires a new paper in the changed name. If you claim citizenship through the naturalization of a spouse or parent and have never had a certificate in your own name, do not use this Form, but use Form N-600.)

Photographs.—You are required to send with this application two photographs of yourself taken within 30 days of the date of this application. They may be in natural color or in black and white, but black and white photographs which have been tinted or otherwise colored are not acceptable. These photographs must be 2 by 2 inches in size, and the distance from top of head to point of chin should be approximately 1¼ inches. They must not be pasted on cards or mounted in any other way, must be on thin paper, have a light background, and clearly show a front view of your face without hat. Snapshots, group, or full-length portraits will not be accepted. Machine-made photographs will not be accepted. Your photographs should NOT be signed until after the new naturalization or citizenship paper has been made out, but on the back of each photograph your name MUST NOW be printed lightly and carefully, using a soft pencil to avoid mutilation of the face of the photograph.

Proof of changed name.—If you became a citizen after birth and your name has been changed by marriage after the Certificate was issued, and you are applying for a new paper in the changed name, you must attach to this application a certified copy of the public record of your marriage. If your name has been changed by a decree of court of competent jurisdiction after the Certificate was issued, you must attach to the application a certified copy of the decree of court changing your name; and if you live in a State where, under the decree of court changing your name, further acts are required of you before the decree becomes final, in such case you must also attach to this application a certificate from the court that you have complied with all conditions of the decree changing your name.

Certificate of Naturalization or Citizenship.—You must submit with this application the certificate of naturalization or of citizenship which was issued to you prior to your change of name, or which has been mutilated for retention by the Immigration and Naturalization Service if the application is granted. If you are unable to submit such certificate because it is lost or destroyed, state the circumstances fully on a separate sheet of paper the same size as this application.

Proof of Marital Status.—If your marital status has changed because of marriage, divorce, or the death of your spouse since the date you were naturalized, you must submit a certified copy of your marriage record, your divorce decree, or the death certificate of your spouse, (unless the law of the State issuing any such document makes it illegal to duplicate it by photostat or photograph).

Fee.—A fee of five dollars (\$5) must accompany this application, unless you are applying for a copy of proceedings under the act of June 25, 1936, as amended, that is, unless you are a woman born in the United States who lost citizenship by marriage to an alien before September 22, 1922, and are applying for a copy of the proceedings through which you were repatriated by taking an oath of allegiance to the United States. The fee for a copy of such proceedings is \$1.00. The fee is required for filing the application and is not returnable, regardless of action taken thereon.

Remittances should be made payable to the "Immigration and Naturalization Service, Department of Justice." If residing in the Virgin Islands, remittances should be drawn in favor of the "Commissioner of Finance of the Virgin Islands." If residing in Guam, remittances should be drawn in favor of the "Treasurer, Guam." If you mail this application, attach money order or check. DO NOT SEND CASH.

An applicant for a new declaration of intention or certificate of naturalization in lieu of one lost, mutilated, or destroyed, who was a member of the military or naval forces of the United States at any time after April 20, 1898, and before July 5, 1902; or at any time after April 5, 1917, and before November 12, 1918; or who served on the Mexican border as a member of the Regular Army or National Guard between June 1916 and April 1917; or who has served or hereafter serves in the military, air, or naval forces of the United States after September 16, 1940, or who is presently serving and who was not at any time during such period or thereafter separated from such forces under other than honorable conditions, who was not a conscientious objector who performed no military duty, whatever or refused to wear the uniform, or who was not at any time during such period thereafter discharged from such military, air, or naval forces on account of alienage, is not required to pay any fee. In such cases your honorable discharge must be presented with this application.
