### Description of Project/Request:

Fiesta of the Spanish Horse, a 501 (c) 3 organization, raises funds for cancer research. We have a 4 or 5 day free to the public Spanish breed horse show with a Saturday afternoon and evening program and variety show on horseback that raises funds for cancer research. May will be our 14<sup>th</sup> year. A majority of the funds we raise go to Los Angeles Children's Hospital.

### What is the community need for this project?

Fiesta raises funds for cancer research. We have up to 1,000 people participating in the horse show at the Los Angeles Equestrian Center for up to a week plus public watching the show. Our Saturday program brings in over 4,000 guests. We ask them to support our local communities for shopping, dining and entertainment.

### How will this project benefit the community?

Fiesta's support of USC Norris Comprehensive Cancer Center and Children's Hospital has helped find a cure for a certain cancer. Free booths are provided for service and non-profit organizations to hand out information and bring awareness of their organizations and services.

### How will this project benefit our club?

Fiesta passes the word about the children's charities through our website and email, i.e., Duck Splash. We help find volunteers through Fiesta supporters. We encourage people to join the Glendale Kiwanis. For many years we have been happy to have Key Club members volunteer to help at Fiesta.

### How will this project benefit our members?

Members are encouraged to attend, set up a booth or table and inform the community about their organization and services.

How many volunteers will be required? 50 - 60 When 4/30 - 5/6/2011

What is your best estimate of total service hours for the fiscal year? \_\_\_\_\_
