Phy Set/Earth Science	Passed _____	Failed _____	N/A _____

**For Science Courses:**

Only students who **failed the Regents exam** for Earth Science or Living Environment **but passed the class** may enroll in the Exam Review Course.

Students who **have not previously taken the Regents exam** must attend the Remedial Course.

*Chemistry*

Lab classes are not available for chemistry during summer school.

**APPROVALS**

I hereby certify that the student named is qualified to study the subjects requested; has had the required immunizations; and has my approval to attend summer school. The student has a copy of his/her final report card and will show it to his/her summer school teachers.

\_\_\_\_\_  
 (Signature of Home School Counselor or Administrator)

School:

Kenmore East High School \_\_\_\_\_

Kenmore West High School \_\_\_\_\_

Other (please specify) \_\_\_\_\_

**Students must be on time and carry their home school I.D. while in attendance at summer school.**

Summer school grades include classroom participation and class work averaged with quizzes, tests, homework, and the final examination. A student must attend and have positive participation in the class to be eligible for credit. **Students who miss more than 15% (4 UNEXCUSED ABSENCES) of instructional time will be denied credit. Any student who is tardy for a summer class by more than 15 minutes will be charged with a 1/2 day unexcused absence.**

**CONDUCT**

Standards in academics and behavior during the summer are governed by Ken-Ton School District Policy and are identical to those enforced during the regular school year. Each student is expected to demonstrate the self-discipline and positive attitude necessary to succeed. Students can and will be suspended by a summer school administrator for serious infractions of the district's student Code of Conduct.

**EFFORT**

Students are expected to participate in class, take notes, complete assignments, and prepare for quizzes and tests. Students whose effort in summer school is unsatisfactory can expect difficulty understanding course material, lower grades, and in extreme cases a loss of academic credit for the course.

**ACADEMIC INFORMATION**

**Remedial Courses**

Remedial courses are 123 minutes in length and are for students who have previously taken and failed a course.

**Exam Review Courses**

Three-week Regents review, or "Exam Review Courses," are designed for students who have already taken a Regents exam and are preparing to retake the Regents exam in August. Exam Review Courses are available only to students who have already taken that Regents exam. Exam Review Courses begin on Thursday, July 23 and end on Tuesday, August 11. Students will take the Regents exam at the end of the course.

**"New" Courses**

One-half credit new courses are 123 minutes in length. These courses are for those students who have not yet taken the course.

**Regents Examination Only**

Students will receive remediation prior to re-taking any Regents examination. Students who wish to sign up for a Regents exam must do so by Monday, July 6th.

**Report Cards**

Report Cards are issued twice during summer school, once in late July and again at the end of the summer school term. Report cards are mailed by the district technology center directly to students' parents or guardians.

**Transportation**

Transportation to and from summer school is the responsibility of each student. The district does not provide bus services for summer school students.

**Bicycles and Skateboards**

Bicycles and skateboards are not allowed inside the school building for any reason. Students should lock their bicycles in the bike racks provided in front of and behind the building. The school is not responsible for bicycles left on campus.

**Library**

Students are encouraged to use the library for research, studying or borrowing. The library is open during regular summer school hours.

**Lunch**

The summer school does not maintain a cafeteria or any facility for lunch. Water and juice vending machines are available.

**Lockers**

Lockers are not available for use by summer school students.

**Medical Assistance**

School Nurse Hours 8 am - 12 noon in room 121.

**Cell Phones**

Cell phones should be turned off during class.

Health ..... 1/2 credit (students must have completed gr. 9)

**Physical Education:**  
Preference will be given to seniors at Kenmore East and Kenmore West. Students will swim every day as a part of the physical education program. Non-swimmers may remain in the shallow end of the pool. Students exempt from swimming due to a medical excuse will be assigned daily work. Grades for students are based on participation (60%), an exam (30%) and a portfolio (10%).

**SUMMER SCHOOL PROGRAM**

The Kenmore-Town of Tonawanda Summer School Program is an opportunity for students to retake courses which they failed or were unable to take during the regular school year. The majority of courses are offered on a review or remedial basis.

The Ken-Ton School District is registered by the New York State Education Department. Credits earned in summer school may be applied towards a high school diploma.

**2014-2015 final grades will be incorporated into the summer school grade.**

**REGISTRATION DATES**

**June 1 – July 2:** Students may register for summer school in the Counseling Centers of Kenmore East or Kenmore West High School. Please contact your home school's Counseling Center for an appointment. Appointments are available during the regular school day.

Grades are posted for Ken-Ton High School students online Friday, June 26. Counselors are available to register students on June 29 - July 2 from 8:00 AM until 11:30 AM and by appointment on July 1 & July 2 in their home school.

Students who register after July 2 will be enrolled based on availability.

No applications will be accepted after July 8.

**REQUIRED FOR REGISTRATION**

Students without the appropriate documents will not be allowed to register for Summer School. There will be no exceptions. To register, students must have the following:

- **Final report card or progress report from the home school. Completed registration card (attached) signed by the home school counselor or administrator.**
- **Students registering for Earth Science, Living Environment or Chemistry must provide proof of 700 minutes of completed laboratory activities.**
- **Students attending private schools must provide two (2) proofs of district residency at the time of registration.**

**SUMMER SCHOOL TIMES & CALENDAR**

**Remedial Course Schedule: (July 6 - August 13)**  
Period 1..... 8:00AM - 10:03AM  
Period 2..... 10:13AM - 12:16PM  
*\*Class periods are 123 minutes long.*

**Credit Recovery Schedule: 10:13 AM - 2:00 PM**

**Exam Review Course Schedule: 12:30 - 2:00 PM**
