This year there will be several options for missions. Listed below are these options. Please number 1-3 what you want to do during D-Now. 1 being what you want to do the most, and 3 being what you want to do the least. Every effort will be given to allow you to do what you wish to do the most but no guarantee can be made. Please do not mark something without giving it careful consideration and prayer. We want you to be where God wants you to be this weekend.

### ☐ Stop Hunger Now

In Stop Hunger Now we will be packing packages of food to send all over the world to those who do not have food to eat.

### ☐ Backpack Ministry

With our Backpack Ministry we will be packing backpacks full of supplies for children and students just like you who do not have the resources to afford them.

### ☐ Street Evangelism

In Street Evangelism you and a group will be walking the streets of Yazoo City sharing the Good News and making connections with hurt, and lost people. You also will be doing prayer walks in needy communities in our city.
