NUTIMIK

VOLUNTEER APPLICATION
Program Team

While caring for and working with our campers, cabin leaders, out-trip leaders, special needs aides, lifeguards and skill instructors are making a difference in the lives of campers...

ARE YOU READY? JOIN THE TEAM TODAY!

REACHING KIDS - GROWING DISCIPLES - DEVELOPING LEADERS

It takes a lot of great people to make Camp Nutimik a success each summer, and we are pleased that you want to be part of our team!

***Our mission** is to impact children and youth to become committed followers of Christ through Biblical teaching and discipleship; to influence Christian character through outdoor experiences; and to invest in the development of the next generation of leaders.*

Together we can bring our mission to fruition. It is our hope that during your time at Camp Nutimik you will be inspired and your spirit renewed by God and His amazing creation.

In order to provide a safe and fun experience for our kids, staff, and volunteers, it is necessary that all of our volunteers fill out the following application and government forms. This also allows us to get to know you and place you in an area that best suits you.

- **Program Staff Volunteer Application Form** (pages 3-4)
- **A Criminal Record Check & Vulnerable Sector Search (for those age 18+)** – current within 6 months.
 - This can be completed in Winnipeg at the Public Safety Building or outside Winnipeg at your local RCMP office.
 - This may be sent to the camp after you send in your application, but **MUST** be received **BEFORE** you arrive at camp.

Please Note** All forms must be completed and submitted before you will be able to volunteer at Camp Nutimik. All applications will be kept on file. **A staff member will contact you by phone upon receiving your complete application.**

In order to maintain an excellent environment for campers and staff, volunteers are held accountable to the same standard as our hired staff. While Camp Nutimik does provide job training specific to the work area, volunteers are expected to uphold the job expectations in work ethic and Christian character. In the event a volunteer is unwilling or unable to do their job well, after meeting with their supervisor they may be asked to leave.

If you have any further questions please contact us.

Sincerely,
The Camp Nutimik Leadership Team
