Arizona Pharmacy Pioneers:  
Past, Present, & Future

Meeting Program

# The benefits of the network. The power of the brand.

Today, thousands of independent Good Neighbor Pharmacy members enjoy the power of volume purchasing, scaled services and best practice solutions from AmerisourceBergen® Drug Corporation.

We provide pharmaceuticals, business support and consulting services to help our participating pharmacists focus on their most valuable strength — caring for their patients.

Please call us at 877.892.1254 or visit  
[www.AmerisourceBergenDrug.com](http://www.AmerisourceBergenDrug.com) today to learn more.

## Visit us at booth #17

Welcome to Litchfield Park, Arizona and the Arizona Pharmacy Association 8th Annual Meeting at The Wigwam! This historic property is the perfect venue to commemorate Arizona's Centennial and the history of pharmacy in Arizona. The theme of this year's conference is Arizona Pharmacy Pioneers: Past, Present, and Future. Over the next few days we will celebrate the accomplishments of our profession and lay the groundwork for the future contributions that pharmacists and pharmacy technicians will make as health care providers. Attending this conference is a great way to prepare for the road ahead. While participating in the information-filled continuing education activities, enjoy reconnecting with old friends and building some new relationships.

In addition to the continuing education activities, please take time to visit the Western-themed Exhibit Hall where you will have the opportunity to network and socialize with your colleagues and learn about the latest pharmaceutical products, technology, and services. Come enjoy the food and fun, and maybe even try your hand at the shootin' gallery.

Please plan to join us for the Annual AzPA Awards Banquet on Saturday evening. This celebration marks the transition of our Association leadership and recognizes and honors our peers and colleagues. It is always a special evening. Rumor has it there may be an old-fashioned duel!

Thank you to Jon Glover, Annual Meeting Steering Committee Chair, and to the entire steering committee. This year's exceptional programming is a testament to their professionalism and dedication. Thank you, too, to the AzPA Board of Directors, Academy leaders, and Committee members for your hard work and support of the Association and our profession. Last, and certainly not least, I extend my tremendous gratitude to the AzPA staff - Kelly, Kathy, Janet, Cindy, Deb, and Lisa. These are the individuals who get the job done!

This past year has seen many changes for our organization, including a name change and a new Chief Executive Officer, Kelly Ridgway. The enthusiasm and commitment she brings to AzPA has reenergized our Association.

As I conclude my year as AzPA President, my wish is that when you return to your practice site after attending this year's meeting you will share the benefit of your experience with your fellow professionals and encourage them to become a part of the Arizona Pharmacy Association, the voice - YOUR VOICE - of pharmacy in Arizona.

Kevin Boesen  
AzPA President 2011-2012

## 2012 ANNUAL MEETING GENERAL INFORMATION

### PLEASE WEAR YOUR NAME BADGE!

Please wear your name badge at all times. It identifies you as a participant at the conference and serves as your meal ticket.

### NO SMOKING PLEASE!

As a health-conscious association, AzPA has adopted a no-smoking policy at all meetings. If you choose to smoke, we ask that you use the designated areas. Please remember that smoking is prohibited in meeting rooms and at indoor meal functions.

### ELECTRONIC DEVICES

Please be considerate of presenters and other attendees and turn your electronic devices to vibrate, silent, or off prior to entering the meeting rooms.

### CHILDREN ARE WELCOME!

Children are welcome to attend the Exhibit Hall reception & lunch. However, each child (ages 5-18) must be registered and wearing a name badge to enter either the Exhibit Hall reception on Friday night or Saturday lunch. The cost is \$10 per child per meal function.

### CONVENTION ATTIRE

Please dress comfortably! Convention attire, including the banquet, is resort casual! A "No Tie Policy" will be in effect. A reminder: Meeting room temperatures and personal comfort vary widely. Even though it's summer in Arizona, meeting rooms always seem cold, so please bring a sweater.

### REFUND POLICY

Refund and/or cancellation requests must be made in writing to the Arizona Pharmacy Association office before June 1, 2012. A \$50 service charge will apply to all cancellations. Substitutions are welcome. Refund checks will be mailed two weeks after the conclusion of the annual meeting. No refund requests will be honored after

June 15, 2012. AzPA reserves the right to cancel any activity because of insufficient pre-registration and as determined by the CEO or CPE Administrator. In this case, all individuals pre-registered are notified and issued a full refund.

### SPECIAL NEEDS/DISABILITIES

The AzPA 8th Annual Meeting staff strives to meet the special requirements of those with mobility impairments. If you need assistance relating to some type of disability, please let us know, so we can make reasonable accommodations.

### CONTINUING PHARMACY EDUCATION INFORMATION

Please refer to page 22 of this program for complete information including CPE requirements, disclosures, and session information.

The Arizona  
Pharmacy  
Alliance is accredited

by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

### NEW THIS YEAR! ONLINE EVALUATION FORMS

Pharmacists and pharmacy technicians wishing to receive a Certificate of Completion for Continuing Pharmacy Education for the activities presented at the AzPA Annual Meeting **MUST** complete an evaluation form for each activity.

To do so please access the list of Annual Meeting Evaluation Forms via the link

**[www.azpharmacy.org/  
AnnualMeetingEvaluations](http://www.azpharmacy.org/AnnualMeetingEvaluations)**

Upon successful completion of each evaluation form, your CE Statement of Credit for that activity will be sent to you via email. Login is required to complete the evaluation forms and receive your CE Statements of Credit. You will also need your NABP eProfile ID number.

In order to avoid additional fees for issuance of CE Statements of Credit for this conference, **all evaluation forms MUST be completed by August 1, 2012.** After this date, online access to the evaluation forms will be closed and requests for issuance of CE Statements of Credit from the AzPA Annual Meeting will be subject to a \$10 per certificate fee. No exceptions.

### CE SESSION CODES

All participants receiving ACPE credit must have attended all sessions indicated, completed a session evaluation form for each session attended, and are responsible for tracking the CE Session Codes for the sessions. This code will be announced throughout each session. The session room monitors will also have this number. CE Session Codes are not printed in the program and will not be given out anywhere else except in the sessions attended. You must have this code to receive CE Credit!

### MEAL TICKETS FOR EXHIBIT HALL AND AWARDS BANQUET DINNER

All meal functions are included with the price of full-conference registration. Admittance to these functions **REQUIRES A TICKET.**

All children ages 5 - 18 must be registered to attend and receive a name badge. Full conference registrants and participants registered for the awards banquet will find ticket(s) in their convention packet. Please bring the appropriate ticket for entrance.

If your plans change and you are unable to attend the awards banquet, we ask that you consider giving your ticket to someone who would like to attend. You can bring your ticket to the registration desk where it will be distributed on a first-come, first-serve basis.

## Continuing Pharmacy Education Information

**CPE Requirements:** Qualified attendees can earn up to 12.0 hours (1.20 CEUs) of continuing pharmacy education (CPE) credit. ACPE Universal Activity Numbers of CEUs are listed in the on-site program and on the online evaluation forms. Learning objectives for all CPE sessions are listed within this on-site program. Program validation codes will be announced at the beginning of each session. You must track these validation codes on the Session Code Tracking Form found on page 25 of this program and then complete the online evaluation forms (see instructions on page 25) to receive your Continuing Education Statements of Credit.

**Disclosures:** Financial support for individual education sessions are listed within the on-site program. Faculty disclosures are provided on every program evaluation form.

**Grievance Policy:** All grievances regarding courses, personnel, or practices at any continuing pharmaceutical education program should be brought to the attention of the CPE Administrator. Every attempt will be made to satisfy the complainant. In addition, measures shall be taken to correct deficiencies. Those program participants who wish to appeal their participation at a program should address such an appeal in writing to the CPE Administrator Kathy Harty, Arizona Pharmacy Association, within 10 working days of the program. The Program Administrator will convene an appeal process committee consisting of the members of the CE Committee within 30 days after the filing of the appeal. The written results of the appeal will be shared with the participant within two weeks following the committee meeting.

The Arizona Pharmacy Alliance is accredited by the Accreditation Council for Pharmacy Education as a provider of continuing pharmacy education.

## Have you set up your NABP e-Profile and registered for the CPE Monitor™ service to ensure your ACPE-accredited CPE units are properly tracked for licensure?

### What is CPE Monitor?

A national collaborative effort between the National Association of Boards of Pharmacy® (NABP®), the Accreditation Council for Pharmacy Education (ACPE), and accredited continuing pharmacy education (CPE) providers, the CPE Monitor service will allow you to easily track your ACPE-accredited CPE units electronically.

### What are the benefits of CPE Monitor?

- Streamlines the reporting and compliance verification process.
- Eliminates paper forms and the need to submit paper copies of CPE statements of credit for ACPE-accredited activities in most jurisdictions.
- As part of your NABP e-Profile, the CPE Monitor service will store a comprehensive list of your CPE activities completed and will allow you to verify compliance with CPE requirements.

Pharmacists and technicians are required to provide their NABP e-Profile ID, plus their birth date (MMDD) to AzPA in order to receive credit for completed CPE. As a secure, central system, CPE Monitor will assist licensees by maintaining & tracking all ACPE-accredited CPE units.

AzPA is required to transmit CPE data to CPE Monitor after December 31, 2012. The AzPA 8th Annual Meeting programs will not be submitted on this system. All programs commencing after January 1, 2013 must be uploaded to ACPE which will then be transferred to the NABP CPE Monitor platform. Until 2012, please save your statements of credit for all AzPA CE activities you have attended, including the AzPA 8th Annual Meeting.

# Maximize Your Educational Experience at the AzPA 2012 Annual Meeting

Use continuous professional development (CPD) to build a customized educational plan.

## Make sure you get the greatest return on your educational investment at the AzPA 2012 Annual Meeting.

Take the time to reflect on your goals in attending the meeting, plan the sessions that you will attend and the answers you seek, act on your plan and evaluate what you have learned and how it can be implemented in your practice.

### REFLECT:

**Identify Your Purpose.** Review the questions below, keeping the answers in mind or jotting them down in the space provided. Use this information to help you choose which education sessions or networking events to attend:

- What is your current professional situation and practice site?
- What are your short and long-term practice goals?
- What challenges are you facing in your practice?
- What common therapeutic issues, patient issues, disease states, or administrative issues do you encounter?
- What additional knowledge or skills do you hope to gain from attending the AzPA 2012 Annual Meeting?
- Do you prefer to learn primarily through lecture/presentation with minimal active learning or through activities involving a lot of practical application and examples?

### PLAN & ACT:

Select education sessions that meet your needs.

- Review the learning objectives and any supplemental resources associated with the sessions.
- Jot down questions you have about each topic and/or the skills you hope to acquire.
- Participate actively in the sessions and take advantage of networking opportunities.

### EVALUATE:

Assess your experience and its impact. Consider the answers to these questions for each session you attend:

- Did I learn what I hoped? Why or why not?
- What else would I like to know about the topic?
- What changes will I make in my practice as a result of this educational experience?

I plan to attend the following education sessions and hope to find answers to these questions.

| Day                 | Time | Session Title | Questions/Skills Desired |
|---------------------|------|---------------|--------------------------|
| Friday<br>6/2/12    |      |               |                          |
|                     |      |               |                          |
|                     |      |               |                          |
|                     |      |               |                          |
| Saturday<br>6/30/12 |      |               |                          |
|                     |      |               |                          |
|                     |      |               |                          |
|                     |      |               |                          |
| Sunday 7/1/12       |      |               |                          |

Select three education sessions you attended that will make the most impact on your practice. Answer the questions for each session. Make a commitment to yourself to implement the new knowledge or skills you've acquired.

| Session Title | Did I learn what I hoped? Why or why not? | What else would I like to know? | What changes will I make in my practice? By when? What other resources do I need to make these changes? |
|---------------|---|---------------------------------|---|

Pharmacists and pharmacy technicians wishing to receive an ACPE Certificate of Completion for Continuing Pharmacy Education for the activities presented at the AzPA Annual Meeting **MUST** have attended all sessions indicated, complete an online evaluation form for each activity, and are responsible for tracking the CE Session Codes for the sessions. This code will be announced throughout each session. The session room monitors will also have this number. CE Session Codes are not printed in the program and will not be given out anywhere else except in the sessions attended. **You must have this code to receive CE Credit!**

The list of Annual Meeting Evaluation Forms is available at [www.azpharmacy.org/AnnualMeetingEvaluations](http://www.azpharmacy.org/AnnualMeetingEvaluations). Upon successful completion of each evaluation form, your CE Statement of Credit for that activity will be sent to you via email. Login is required to complete the evaluation forms and receive your CE Statements of Credit. You will also need your NABP eProfile ID number.

In order to avoid additional fees for issuance of CE Statements of Credit for this conference, all evaluation forms **MUST be completed by August 1, 2012**. After this date, online access to the evaluation forms will be closed and requests for issuance of CE Statements of Credit from the AzPA Annual Meeting will be subject to a \$10 per certificate fee. No exceptions.
