Applicants for Energy Stewardship Matching Grants are required to demonstrate that they have the support of two congregational leaders in order to receive Matching Grant funds from Kansas Interfaith Power & Light.

Please print this document and have it signed by the appropriate leaders in your congregation. Then scan it in and email it as an attachment with your application to [rebmoti@kansasipl.org](mailto:rebmoti@kansasipl.org)

Alternatively, you can have your congregational leaders send us an email stating their support.
