21	Enter the totals of columns H, I, and J on lines 7, 8, and 9 of Form 10.....		\$	\$	\$

Instructions

After completing your Nebraska Schedule II, Form 10, transfer each location ID number (column A) to this worksheet. For each location ID, transfer from your Nebraska Schedule II the amounts of Nebraska sales tax (column D) and local sales tax (column F) to this worksheet. Add the Nebraska sales tax and local sales tax for each location to obtain the collection fee base. Calculate each individual location's collection fee by multiplying the amount in column H by the collection fee percentage printed on line 8 of Form 10. Enter the collection fee for each location in column I. Subtract the amounts in column I from the amounts in column H to obtain the sales tax due for each location (column J). Enter the totals of columns H, I, and J, on lines 7, 8, and 9 of Form 10.

Attach this worksheet to Nebraska Schedule II, Form 10.

Retain a copy for your records.

Example

The following example illustrates the use of the Nebraska Combined Collection Fee Worksheet in conjunction with the Nebraska and Local Sales and Use Tax Return, Form 10, and the Nebraska Schedule II. **Dollar amounts, tax rates, and calculations are shown for illustrative purposes only.**
