MILCOM 2014
Affordable Mission Success: Meeting the Challenge

Tutorial Information

MILCOM 2014 is soliciting proposals for unclassified half-day tutorials. Relevant topics include state-of-the-art communications and networking technologies, cyber, coalition communications, and innovative techniques for affordable communication systems and acquisition strategies. Tutorials cannot contain classified, ITAR-sensitive, or otherwise restricted information. Please submit an unclassified, publicly releasable proposal of your tutorial using the proposal template below.

DO NOT SUBMIT ANY ITAR- or FOUO-RESTRICTED, PROPRIETARY OR CLASSIFIED MATERIAL ON THIS TUTORIAL PROPOSAL TEMPLATE.

Proposals should include a detailed description of the tutorial session with the content outlined below. After the final submission date, each Tutorial Proposal will be evaluated by the Technical Committee using the following criteria: Technical Content, Proposal Quality, Instructor Experience, and Applicability to Conference Theme.

The completed Tutorial Proposal Template must be emailed by 28 April 2014 to: **Lynn LeBlanc, MILCOM 2014 Tutorials Chair,** leblanc.milcom2014@Raytheon.com
