Well-child Visits (C&TC Exam)

Yearly child and teen checkups (C&TC) are an important part of keeping your child healthy. These visits are more thorough than a trip to a health care provider for an illness. During a C&TC visit, the doctor will check your child's growth and development. They will also make sure your child is up to date on immunizations (shots).

Call your doctor today to schedule a C&TC visit for your 3- to 6-year-old child. These visits are a covered benefit for all eligible South Country members. No copay or other charges apply.

Receive a \$50 gift card

Current members of South Country may be eligible for a \$50 gift card (each year) at ages 3, 4, 5, and 6 if they complete a wellness (C&TC) visit. (Other clinic appointments do not apply.) At the time of your child's exam, have your health care provider complete the attached voucher. Then mail it to South Country to receive your gift card.
