Dear Bull Run Middle School Community,

Bull Run Middle School is encouraging all of our students to participate in our summer reading program with a great incentive. The theme for this year's Summer Reading initiative is...**Reading is a Wild Ride!** Students may select books from the summer reading lists or ANY other appropriate titles. Please visit our school's website at <http://bullrunms.schools.pwcs.edu/> to download the summer reading lists and documentation form. Students who participate and turn in their documentation forms will be eligible to participate in a fall carnival. The carnival will be great fun for our students!

Our goal is to increase the number of students who participate in the summer reading program. I hope that your support and encouragement will make this goal a reality. Each student who turns in the documentation forms automatically earns two A's for their language arts class. Can you think of a better way to start off the school year? How wonderful it would be if all of our students started off the school year with an A average in language arts!

This endeavor supports the **mission** of Bull Run Middle School - **for the school community to strive to ensure that every student can read, speak, and think at high levels across the curriculum to ensure they are prepared to successfully function at the next level.** The official recommendation from Prince William County Schools is for every middle and high school student to read two books over the summer. Each school creates a list of suggested titles and posts the PWCS summer reading documentation forms on its web site.

In the past weeks, we have held several sporting events, concerts, ceremonies, and we even have more programs taking place as we come to the end of the school year. I am very excited to see our students perform at such high levels in sports, music and arts, and academics. Just recently, we hosted our 8th grade awards ceremony and recognized many students for outstanding performance in various areas of the middle school program. I am especially proud of our students who earned the Athlete of the Year and Principal's Award. I would like to offer a special note of congratulations to:

Female Athlete of the Year: Kailey Jagels

Male Athlete of the Year: Mark Walker

Principal's Award: Johannah Suegay and Samuel Scott

On behalf of the Bull Run Middle School Staff, I would like to wish all of our families a safe and relaxing summer vacation. The school does have summer office hours from 8 a.m. – 4 p.m., so feel free to contact us if you have any questions about the 2014-15 school year.

Sincerely,

Matthew Phythian

Principal of Bull Run Middle School

Soaring to Excellence-Every Student Learning at High Levels Every Day

Y **EARBOOKS are on SALE!** There are less than 100 yearbooks remaining for sale. Once they are gone they are gone! No additional copies can be ordered from the printer!! Pre-order now to assure your child receives a yearbook & *prevent those tears from flowing*. They will be distributed on Tues. June 17th.

The winner of our **READING IS A WILD RIDE** bookmark contest is Macy Havil! All BRMS students will receive a bookmark featuring Macy's design to kick off our summer reading season. There were many honorable mentions as well, and their bookmarks will be available for a limited time in the library in September. Congratulations to Macy!

Start your summer off with a wild reading ride! It's time to finally catch up on that book you've been too busy to read. Bull Run Middle School highly encourages all students to participate in the summer reading program. Students may read books from the summer reading lists or ANY other appropriate titles.

Students who participate and turn in their documentation forms when they return to school in September will be eligible to participate in a carnival-themed celebration. In addition, they will earn an extra-credit A for each book they read, up to two books. Students can access the suggested summer reading lists from the BRMS web page or by clicking [Summer Reading Lists](#).

BRMS Book Swap

The BRMS Literacy Committee will host the second-annual BRMS Book Swap! Students will be invited to bring gently-used books to school on Tuesday, June 10th and Wednesday, June 11th. They will receive one ticket for each book they turn in, and they can use each ticket to select a "new" book on Friday, June 13th.

We are looking for parent/guardian volunteers to help collect and sort books on June 10th and 11th and for volunteers to help monitor the swap on June 13th. If you are interested in volunteering, please click here <http://www.signupgenius.com/go/30E0D4CA8AD2CA46-brms> or contact Christy Lazer at Lazercl@pwcs.edu.

National Junior Honor Society is designed to honor the overall outstanding achievement of our seventh and eighth grade students. It is a service-oriented society, providing assistance to both Bull Run Middle School and the community in an effort to develop leadership, character, and citizenship skills within our young members. For induction into the Honor Society, seventh and eighth grade students must meet specific requirements.

To be a member of the NJHS, selected students must have a **cumulative** grade-point average of 3.5 (non-rounded) or higher at the end of the 3rd quarter, and demonstrate excellence in the areas of Scholarship, Leadership, Character, Citizenship, and Service. Students also must be "on or above grade level" in all subjects, and at the time of selection, must have been enrolled at Bull Run for at least 1 semester (2 quarters). Please note that NJHS is not an "honor roll", but a student-led organization that recognizes outstanding qualities in young people and strives to build and promote those qualities through school service and outreach programs. For a list of new members, please see page 5.

?? LOST AND FOUND ??

Did you know that BRMS has multiple “lost and found” locations?

If your student has lost books, glasses, jewelry, clothing or any other items this school year, please have him/her check at the front office, the cafeteria and in each classroom.

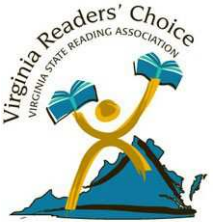

You would not believe the amount of items that are unclaimed & left behind each June.

Library News

MAY LUNCH BUNCH

Our monthly Lunch Bunch theme was “*Meditative May*” in the library. While eating lunch and a healthy snack of green tea, hummus & carrots and cucumber and strawberry water the library, students enjoyed reading quietly. They learned about “Zen” and meditation in an ambient setting of flameless tealights and relaxing music. We look forward to providing more exciting lunch bunches to the students next year!

VIRGINIA READERS' CHOICE (VRC)

What is the VRC? This state program was developed to encourage young readers to become better acquainted with contemporary books with outstanding literary appeal, to broaden students’ awareness of literature as a life-long pleasure, to encourage reading aloud in classrooms as a means of introducing reading for pleasure, and to honor favorite books and their authors. Each year a list of books is chosen by a state committee and students vote on their favorite—BRMS VRC members voted for *The False Prince* by Jennifer Nielsen as their top book at their last meeting for this school year. The books for 2014-2015 are:

Endangered by Eliot Schrefer

One for the Murphys by Lynda Mullaly Hunt

Bomb - The Race to Build and Steal the World's Most Dangerous Weapon by Steve Sheinkin

Cinder by Marissa Mayer

How They Croaked by Georgia Bragg

Inside Out and Back Again by Thanhha Lia

Spy School by Stuart Gibbs

Ungifted by Gordon Korman

On the Day I Died by Candace Fleming

Drama by Raina Telgemeier

Overdue Fines

Please ensure your student has returned all library books by Friday June 6th. Fees may be paid with exact change or check only. Overdue notices have been given. Thank you!

The end of the year is coming soon! All fines for lost or overdue books are due June 6th.

If any 8th grader has not paid their fines, they will not be permitted to attend their party/picnic.

Counseling News

- ◆ Parents of rising 8th graders please make sure to consult the Battlefield Stonewall Jackson websites throughout the summer to be aware of team outs and practice schedules. Also make sure to be aware of any summer assignments for Pre-AP or Pre-IB classes that are required by the high schools.
- ◆ Battlefield will no longer accept schedule changes; however, if you have questions about your child's high school schedule, you should contact the high school directly because all schedules have been sent to the appropriate high schools.
- ◆ Registration for high school summer school courses is open until June 17 but the classes are filling up quickly. Registration forms can be found on the Prince William County web page on the left hand column under the heading of "Student".
- ◆ Rising 6th grade course request verifications will be mailed out to parents in late June. Rising 7th and 8th grade student course requests will be available through parent portal mid-June. Mr. Phythian will send an announcement to parents when the course requests are available.
- ◆ We ask that parents review the course request to ensure it correctly lists the classes for the 2014-15 school year. Please review that course selection form carefully and notify us of any errors by faxing the enclosed form back to us. **Please do not call** because we need a signed form to make the schedule change.

Summer registrations for new students are by appointment only so that we can make sure to give each new family adequate attention as they enroll at Bull Run. Registration information will be posted on our website.

If you move over the summer, please notify us by phone or in writing your correct address in order to ensure that you receive our mailings.

Students who attend Bull Run on a transfer must apply each year to remain here. Transfer request forms are available in the Counseling Office.

Students will not receive their actual schedule and team placement until the first day of school. School supply lists will be available on our website. Have a safe and restful summer!

Information from Prince William County Schools

Right to Special Programs/ Services

The Prince William County Public Schools Division is required to inform the community of a student's right to a free, appropriate public education and the availability of programs and services, including a special education. The Individuals with Disabilities Education Improvement Act (IDEA) and Section 504 of the Rehabilitation Act (Section 504) are federal laws that give the School Division certain responsibilities with respect to providing such educational programs to students with disabilities. Under the IDEA and Section 504, the School Division has the responsibility to actively and continuously identify, locate and evaluate those children, infant to age 21, living in Prince William County who may be in need of special education and/or related services, or adaptation or accommodations to regular education services. These laws also require the School Division to:

- Refer for possible evaluation any student of school age living in the School Division who a staff member suspects may be disabled.
- Provide appropriate educational and school-related opportunities to students with disabilities in an inclusive setting to the maximum extent appropriate.
- Provide notice of the availability of services and types and location of services to nearby private schools, pediatricians, and the Health Department.
- Provide parents/guardians of students with disabilities with notice of their rights annually, and prior to their student's evaluation and placement, or any significant change in their student's placement.
- Develop and implement procedural safeguards with respect to actions regarding the identification, evaluation, and placement of students with disabilities.
- Provide written notice of the School Division's procedural safeguards to parents or guardians.

If you suspect that your student may have a disability affecting your student's development or academic performance, or may have a mental or physical impairment that substantially limits a major life activity, please contact the Director of Special Education at 703-791-7287 for further information
