What is Medical Baseline Allowance?

Medical Baseline Allowance provides additional gas for people with certain medical conditions. It is not a discount or rebate. Customers on this program will receive 0.822 additional therms per day, billed at our lowest baseline rate.

Medical Baseline Allowance Qualifications

To qualify, you or a full-time resident of your home must require additional heat due to a qualifying medical condition. For example, you may qualify if a resident of your home has paraplegia, quadriplegia, hemiplegia, multiple sclerosis, scleroderma, a compromised immune system or a life threatening illness.

What if I Pay My Landlord for My Natural Gas?

You may qualify for Medical Baseline Allowance even if your landlord bills you for your natural gas. The landlord will reflect the allowance on your billing statement.

How Do I Apply?

Anyone can apply for Medical Baseline Allowance. To apply, complete Part 1 of the attached application. Next, have a doctor complete Part 2 of the application certifying the need for additional heat due to the medical condition. Don't forget to make a copy for your files. Mail the completed application to:

Southern California Gas Company
Medical Baseline Allowance Program
M. L. GT19A1
P.O. Box 513249

Once we receive your application, we will review the information. If you qualify, you will see the additional Medical Baseline Allowance on your bill. Please allow one full billing cycle for the change. If you move, you must notify Southern California Gas Company (SoCalGas®) so that your Medical Baseline Allowance can be transferred to your new address. - 1 If the doctor certifies that the resident's medical condition is permanent, SoCalGas will require completion of a form self-certifying continued resident's eligibility for Medical Baseline Allowance every two years.
- 2 If the doctor certifies that the resident's medical condition is not permanent, SoCalGas will require completion of a form self-certifying continued resident's eligibility for Medical Baseline Allowance each year and completion of a new application with a doctor's certification every two years.
