RE: Authorization to sign “On behalf of” \_\_\_\_\_  
Generator Company Name

This letter affirms that Clean Venture, Inc. and/or Cycle Chem, Inc. (CVI/CCI) is authorized to sign “on behalf of” the generator named above on all waste management documents required for the contracted waste services. This authorization includes, but is not limited to, manifests, bills of lading, material profile sheets and land disposal notifications. The words “On behalf of” are to be added in the appropriate area after the signature of the CVI/CCI representative.

It is acknowledged that, when signing any documents under this authorization “on behalf of” the generator named above, CVI/CCI assumes none of the generator’s responsibility or liability associated with such signature, and that the generator retains all responsibility or liability as the generator of the material.

By signing this Generator’s Authorization Letter, I hereby certify that I am fully authorized by \_\_\_\_\_ to sign this letter.
