

## Donations & Events

Here at Sky Zone Trampoline Park in Leaside, we truly enjoy getting involved with clubs, causes, events & people that make up our neighbourhood. We participate and ensure we support our local community as often as possible.

One of the ways we give back is through donations to organizations & Schools. Each year, we donate jump passes, gift cards, party packages and other Sky Zone items to individuals who are trying to make a difference in our community. Please fill out our donation form and attach an official donation request on the organization's letterhead to see how Sky Zone can help with your non-profit event. Please understand that we cannot fulfill every request as we receive hundreds each year. Each year we reevaluate charities and organizations that are a priority to us and in line with our values.
