## Why we ask for your TFN

By law super funds can only accept personal after-tax contributions if your tax file number (TFN) has been quoted.

We are authorised to collect your TFN under the *Superannuation Industry (Supervision) Act 1993 (SIS)*. This notice is to confirm the conditions under which your TFN will be used if you have already provided, or are in the process of providing, your TFN to us.

Supplying your TFN is voluntary, and it is not an offence if you choose not to provide it. However, if you do not provide it, we cannot process your direct debit request. We are required by law to take the necessary steps to properly safeguard your TFN, and our intention is to use it only for lawful superannuation purposes\*.

A record of your TFN will be made for ongoing taxation and superannuation purposes. We may disclose your TFN to another superannuation provider if your benefits are transferred, unless you instruct us in writing not to disclose it to any other fund.

\*Please note: new legislation may result in changes to these purposes.

## Why should I provide my TFN?

Giving us your TFN will have the following advantages (which may not otherwise apply):

- you can avoid paying the top marginal tax rate on before-tax contributions made to your super account/s.
- after-tax super contributions can be made into your HESTA account. If eligible, you may be entitled to a government co-contribution on any personal after-tax contributions you make.
- no additional tax will be deducted when you start withdrawing your super benefits (other than the tax usually deducted from super).
- it will make tracing different super accounts in your name easier, allowing you to combine all your super accounts into one (if you wish) and receive all super benefits due to you when you retire.
