

LoanSafe Appraisal Manager™

Sample Report

Quickly assess appraisals for risk of over or under-valuation with the Valuation Risk Score.

Instantly see the overall quality of the appraisal and compliance with USPAP, UAD, FIRREA and more using the Integrity Risk Score.

Get insight into local market information, property values, comparable selections, complexity in valuing the property and risk of fraud to help channel the appraisal through the review process.

Consistently and efficiently review appraisals with alerts that are tailored to your review process and identify specific quality issues.

Customize your review process using the three levels of Review Alerts: High, Medium or Low.
