REQUEST FOR COMMITTEE/COUNCIL ACTION

COMMITTEE/COUNCIL NAME: Public Works Committee

Committee/Council Meeting Date: September 11, 2013

Agenda Section: Consent

Originating Department:

Item Number: II - A

ITEM DESCRIPTION: Minutes

Prepared by: Staff

COMMENTS:

Please review the minutes of the August 14, 2013 Public Works Committee meeting.

ADMINISTRATOR COMMENTS:

COMMITTEE/COUNCIL ACTION:

Motion to approve the minutes of the August 14, 2013 Public Works Committee meeting.

**MINUTES
PUBLIC WORKS COMMITTEE**

AUGUST 14, 2013

The meeting was called to order by Chairperson Mel Schaefer at 5:00 p.m. Members present were Donovan Mayer, Matt Quade, Dave Peschong, and Keith Hemmesch. Advisory members present were Ron Mergen, Public Works Director; and Chuck DeWolf, Bolton & Menk, Inc.

Motion was made by Quade to approve the minutes from the July 10, 2013 Public Works Committee meeting. Seconded by Peschong and unanimously carried.

MAZDA PICKUP

Members were informed that the Mazda pickup has mechanical issues including the engine and transmission. The estimated cost to repair it is more than what the vehicle is worth.

Quotes received were as follows:

Koronis Motors \$21,866.00 with the trade in \$20,866.00

Yarmon Ford \$21,541.00 with the trade in \$20,541.00

There was a discussion on waiting until the 2014 budget, but pricing would go up by \$2000.00. It was discussed to give the quote to Koronis Motors since the City has never worked with them in the past. Members questioned how to justify not taking the low price.

Motion was made by Quade to approve the quote from Yarmon Ford in the amount of \$20,541.00 and recommend such to the City Council. Seconded by Peschong and unanimously carried.

MNDOT CONSENT

MnDOT is requesting the City's consent to cross the City easements on some of the irrigation properties; as the ponds they have constructed by the flyover are not draining properly. The ponds are designed to drain into the ditch going north which the City has an easement on and the City's tile line drains. It was also noted the owner can clean this ditch without the City's consent any time.

Motion was made by Quade to approve the MnDOT Consent Form and recommend such to the City Council. Seconded by Peschong and unanimously carried.

WATER PLANT REHAB

DeWolf reported that the bid date is August 20, 2013 which may be postponed due to conflicting with other bids.

WASTE WATER RE-SCOPING PROJECT

It was reported that the blowers and pumps are operational at the pretreatment and irrigation pump station. All the controls are being installed. The main lift is scheduled to go on line in mid September.

MPCA – FORMER MIDTOWN SERVICE STATION

Correspondence with MPCA was reviewed noting they are not intending to attend a meeting in Paynesville. MPCA can't pay for a monitoring well on private property. Members reviewed the sampling results and noted the plume has moved more to the east. There was discussion on how to proceed. It was suggested that the City compile a list of questions; DeWolf and Mergen would review past letters and bring them to the next meeting.

HWY. 55 & CO. RD. 181 INTERSECTION

DeWolf reported that the project is complete. Members all agreed that the changes have improved the safety of the intersection.

2014 STREET PROJECT

The public hearing is scheduled for later this evening and it is on the agenda to authorize Bolton & Menk, Inc. to proceed with the design.

SNOW BLOWER

Snow blower quotes were reviewed:

A & C Farm Service:

- | | | |
|----|-----------------|---|
| 1. | Schulte SDX 102 | \$6,450.00 (does not meet the minimum specifications) |
| 2. | Loftness 1082 | \$8,800.00 |
| 3. | Schulte SDX 117 | \$11,450.00 |

Torborg Equipment:

- | | | |
|----|--------|------------|
| 1. | Lorenz | \$6,900.00 |
|----|--------|------------|

Midwest Machinery John Deere:

- | | | |
|----|---------------|------------|
| 1. | Loftness 1082 | \$7,350.00 |
|----|---------------|------------|

Members discussed the prices and that the Schulte didn't meet the necessary specifications which are:

Width 108" minimum – unit is 102"

Cutting height 44" minimum – unit is 35"

Augers minimum of 2 this unit only has one

Motion was made by Quade to approve the quote from Torborg Equipment in the amount of \$6,900.00 plus tax. Seconded by Peschong and unanimously carried.

COAKLEY ST. WASHOUTS

It was noted that the City will be meeting with Paynesville Township officials to discuss the matter on August 15, 2013.

There being no further business, the meeting was adjourned at 5:45 p.m.

To Whom it may concern:

MNDOT would like to drain their ponds on the new HWY 23 project into the ditch on my land. Bill Pflipsen would like to add new 12" drainage tile from the ditch to the pond, by placing drainage tile from the ditch to the pond this would assist with the water drainage in the ditch and would also not flood the field where I plant crops. Bill Pflipsen would pay for the drainage tile and the installation of the tile.

Should you have any questions you may reach Bill at 320-256-7320.

Sincerely

Bill Pflipsen

SNOWPLOWING CONTRACT

THIS AGREEMENT, is made and entered into by and between the City of Paynesville, a municipal corporation under the laws of the State of Minnesota, hereinafter "the City", and D & D Snowplowing, a Minnesota Corporation, hereinafter "the Contractor".

WHEREAS, the City is desirous of contracting for snowplowing services on the public streets and airport within the City of Paynesville; and

WHEREAS, the City has advertised for bids for winter snowplowing and provided a general description and specifications for the requirements of the job; and

WHEREAS, the Contractor represents that they have sufficient manpower and equipment to provide the services specified; and

WHEREAS, the Contractor was the successful bidder for the providing of these services;

NOW, THEREFORE, IT IS AGREED BY AND BETWEEN THE PARTIES HERETO AS FOLLOWS:

1) Term of Agreement. This Agreement shall be for a term of one (1) years commencing October 15, 2013 and terminating October 14, 2014.

2) Services to be Provided. The Contractor shall provide the services as outlined in the general description and specifications, a copy of which are attached hereto, labeled Contract Exhibit A and incorporated herein by reference.

3) Payment for Services. The City shall pay the Contractor as and for snow removal services as follows:

- a) For road grader time, \$115.00/hour
- b) For plow truck time, \$115.00/hour
- c) For 4 cu/yd Payloader time, \$115.00/hour

Starting on November 1, 2013, and on the first day of each month thereafter, through and including March 1, 2014, the City shall pay to the Contractor a retainer of \$1,000.00 a month which shall be earned on payment regardless of whether any snowplowing is required during those months. To the extent that snowplowing is required, the retainer shall pay for the first 10.0 hours of road grader, plow truck or 4 cu/yd Payloader time expended during each of these months.

The Contractor shall submit monthly invoices for services showing hours of use of each of the various types of equipment and crediting against those hours the retainer referenced above.

4) Indemnity & Insurance. a) Indemnity. The Contractor does hereby agree that it will defend, indemnify and hold harmless the City against any and all liability, loss, damages, costs and expenses, which the City may sustain, incur, or be required to pay by reason of bodily injury, death, property loss or damage caused by the Contractor furnishing the snow removal services provided for under the terms of this Agreement, or caused by any negligent act, omission or intentional act of the Contractor, its agents, officers or employees.

28

b) Insurance. The Contractor agrees that in order to protect itself, as well as the City under the indemnity provision hereinabove set forth, it will at all times during the term of this Agreement have and keep in full force and effect the liability insurance as set forth on the certificate of liability insurance which is attached hereto and incorporated herein by reference.

5) Independent Contractor. It is agreed that nothing herein contained is intended or should be construed in any manner as creating or establishing the relationship of co-partners as between the parties hereto, or as constituting the Contractor as the agent, representative or employee of the City, for any purpose or in any manner whatsoever. The Contractor is to be and shall remain an independent Contractor with respect to all services performed under this Agreement. The Contractor represents that the Contractor has or will or secure at its own expense, all personnel required to perform the services under this Agreement. Any and all personnel of the Contractor, while engaged in the performance of any work or services required by the Contractor under this Agreement, shall have no contractual relationship with the City and shall not be considered employees of the City, and any and all claims that may or might arise under the Unemployment Compensation Act or Workers Compensation Act to the State of Minnesota, on behalf of said personnel arising out of employment or alleged employment including, without limitation, claims of discrimination, shall in no way be the responsibility of the City; and the Contractor shall defend,

indemnify and hold the City, its officers, agents and employees harmless from any and all such claims irrespective of any determination of any pertinent tribunal, agency, board, commission or Court. Such personnel or other persons shall neither be required nor entitled to any compensation, rights or benefits of any kind whatsoever from the City, including without limitation 10 year rights, medical and hospital care, sick or vacation leave, workers compensation, unemployment compensation, disability, severance pay or retirement benefits.

6) Subcontracting & Assignment. Contractor shall not enter into any subcontract for performance of any of the services contemplated under this contract, nor assign any interest in the contract without the prior written approval of the City and subject to such conditions and provisions as the City may deem necessary. The Contractor shall be responsible for the performance of all subcontractors.

7) Cancellation. This contract may be cancelled by either party at any time with or without cause, upon 90 days written notice delivered by mail or in person.

IN WITNESS WHEREOF, the parties have executed this contract on the
dates indicated below.

Contract Exhibit A

General Conditions

1. The downtown business district will be plowed beginning no earlier than 2 a.m. and be completed no later than 6 a.m. These streets will be plowed and piled into a wind row in the center of the street to be removed by others. Due to the compacted snow in the downtown it is required to have a motor grader or a machine which can exert down pressure in order to cut compacted snow and ice.

Note: City crews will clean the sidewalks in these areas and make one pass along the curb.
2. All other streets will generally be plowed from 1 a.m. to 6 a.m. and are to be cleaned from curb to curb. Other starting times may occur, depending on the snow event and time of day.
3. The City of Paynesville will determine when to commence snow plowing operations.
4. The contractor will be required to have two units plowing within 1 hour of being notified and have another unit available in cases of heavy snow or equipment break downs. It was the practice of the previous contractor to plow with three units.
5. All plowing trucks or plows must be able to maneuver and clear snow from intersections. Any wind rows or piles of snow requiring city crews to clean up will be billed back to the contractor.
6. Contractors are required to make one pass through the cul-de-sacs and the city crew will finish the clean up.
7. During a snow storm the contractor must be able to respond and clean all designated emergency vehicle routes within 1 hour.
8. The Paynesville Municipal Airport has a runway of 3,300' x 75', a tie down area of 300' x 300', an access road ¼ mile long and parking and taxi lanes of approximately 1,500' x 60'.
9. The snow in Taxi lane B must be completely removed and piled to the east or west of the hangars.
10. The contractor will be required to plow within 18" of the hangars.
11. FAA guidelines require the airport be plowed within 6 hours after a snow fall.
12. Any damages (i.e.: sod, mailboxes, etc) caused by the contractor will be repaired and/or replaced at the contractor's expense.
