

## Collection of Supplementary Information for Teaching Experience with Non-Chinese Speaking (NCS) Students

Please answer the following questions according to the best of your knowledge. Your answer will help us to make the decision, since higher priorities will be accorded to those teachers teaching in schools with higher concentration of NCS students if there are more applications received than the number of places offered by us. Please note that our decision on admissions does not entail the applicant is automatically qualified for the EDB incentive scheme.

Questions 1-3 should be answered.
