Student Media-Release Forms

Parent-signed media releases are NOT needed when:

- Photographing or videotaping anonymous students engaged in normal classroom/school activities.
- Photographing, videotaping or interviewing students at events that are open to the public, such as music, theater or athletic events.

Parent-signed media releases are ALWAYS needed when:

- Students are interviewed or will be identified by name in a photograph/news article.
- An individual student(s) is the focus of the story.
- Photographing, videotaping or interviewing students who are in special education classes/services or certain specialized programs (drug/alcohol, detention/work detail, etc.).
- You feel the photograph, videotape or interview may be used in a negative way.

What to do when the media makes an unscheduled call:

- Principals are encouraged to talk with the media regarding routine events, activities or issues at their schools.
- **School principals may deny the photographing, videotaping and interviewing of students and staff on school grounds if it would disrupt the educational process.**
- If the reporter/photographer is behaving poorly, or is pursuing a story that makes you uncomfortable about cooperating with him/her, contact the Communications Department, 742-4153.
- In the event of a serious accident or in regards to issues of crimes, child abuse, etc. contact the Communications Department (742-4153) and the appropriate division office so a procedure may be prepared to handle media inquiries.
