Limited Warranty for Amarr Steel and Aluminum Commercial Doors

Paint System Limited Warranty

If your Amarr steel or aluminum commercial door sections rust through because of the paint finish cracking or peeling, Entrematic warrants to the original purchaser that Entrematic will repair, repaint, replace or refund the original purchase price, at Entrematic's option, the defective section for the warranty period listed in the Limited Warranty table above. Surface rust, chips or scratches in the paint, which result in cosmetic or surface corrosion, are not covered in this warranty. Painting an Amarr steel or aluminum door voids the Paint System Limited Warranty.

Section, Parts, Hardware & Springs Limited Warranty

For all Amarr steel and aluminum commercial sectional door models, if any section, part, spring or hardware, excluding perimeter seal, is defective in material or workmanship, Entrematic warrants to the original purchaser that Entrematic will repair, repaint, replace or refund the original purchase price, at Entrematic's option, the defective item for the warranty period listed in the Limited Warranty table above.

If repainting your commercial sectional door, follow the paint manufacturer's instructions for applying paint in relation to temperature, sunlight, number of coats, etc. No warranty of paint compatibility is made or implied. Painting voids the paint finish warranty.

For all Amarr commercial sectional door models, if any section, part or hardware, excluding glass, frames, inserts, and perimeter seal, is defective in material or workmanship, Entrematic will repair or replace it for the warranty period listed in the Limited Warranty table above from the date of purchase to the original purchaser.

For all Amarr steel commercial sectional door models, if any window is defective in material or workmanship, Entrematic will replace or repair the window that is defective for one year from the date of purchase to the original owner. For all Amarr aluminum commercial sectional door models, if any insulated or laminated glass is defective in material or workmanship, Entrematic will replace or repair the window that is defective for 1 year respectively from the date of purchase to the original owner.
