Due to the differences in natural wood characteristics, the uniformity of wood section color and grain is not warranted. Some splitting and cracking may occur as a natural characteristic of wood. This is not a factory defect and is not covered under warranty. Wood doors require special finishing and care, both prior to installation and during service. Failure to follow the finishing and care instructions will void the warranty. Damage caused by failure to refinish wood door is excluded from this warranty. Detailed information for finishing and care is available on www.Pellagaragedoors.com. No warranty of paint or stain compatibility is made or implied.
