About your research project

Title of the research topic/ the project to be conducted during your stay at the GEI

Project Abstract (100-150 words)

In order to be accepted your application must contain the following documents:

- Fellowship Application Form (cover letter)
- CV, list of publications,
- a one- to three-page outline of the proposed research topic, describing its aims and methodology,
- a specific list of the primary and/or secondary literature which the candidate wishes to study at the Institute; this documents the importance of a research stay,
- an outline of the working plan during the desired duration of your stay.

Please send your application documents as one PDF file to fellowship@gei.de

Name your PDF file as follows

Applications for the Fellowship Programme: Application 2016_ Surname, Name

Applications for an Otto-Bennemann-Grant: Application 2016_ Surname, Name (Bennemann).
