Please review the following request for the retirement of a police K-9. K-9 Khan who is handled by Officer Mike Joiner has served our community and department for many years. He has reached an age (11 years old) where he can no longer perform up to the standard that is required by policy to work as a service dog. His hips and shoulders are very weak and he has trouble getting around. Officer Joiner understands the responsibility of Khan's retirement. Officer Joiner has asked to keep K-9 Khan and is willing to accept all responsibilities to care for Khan such as medical, food and housing. I ask at this time that for K-9 Khan to be placed in retirement.
