

*Personal Sedan Services*

Conference Attendees:

We have partnered with Personal Sedan Service to assist with your arrival and departure transportation for your conference at the JW Marriott. Personal Sedan Services will pair you up with other group attendees to lower the transportation cost. The cost of the transportation will be split on the amount of people in the vehicle. If we are unable to pair you up with someone in your group, we will notify you and you will be able to cancel up to 12 hours prior. Personal Sedan Services will need flight information for anyone who will need transportation to and from the airport. They will pair attendees up with other attendees to lower the cost for the transportation.

To take advantage of this special arrangement you will need to email your flight itinerary (Airline, Flight Number and originating city), your cell phone number and the first and last name of any guest in your party to [Gina@psswestcoast.com](mailto:Gina@psswestcoast.com) at least 7 days prior to your arrival into Las Vegas. Please reference GROUP NAME in the subject line of your email. If you would like provide the information via telephone, please contact 702-248-7706.

You will receive an email confirmation with your arrival and departure transportation information 3 days prior to your arrival at McCarran International Airport in Las Vegas.

If you have any questions, please contact Gina Wedelstedt at (702) 248 7706.
