

World Cup Soccer Center: Geography

You will need:

- a pencil
- colored pencils
- a reference resource
- *Matching Countries* map
- *Matching Regions* worksheet
- *Learn the Regions* chart
- *World Cup Pie Chart*
- *Countries and Regions* review questions

Activities

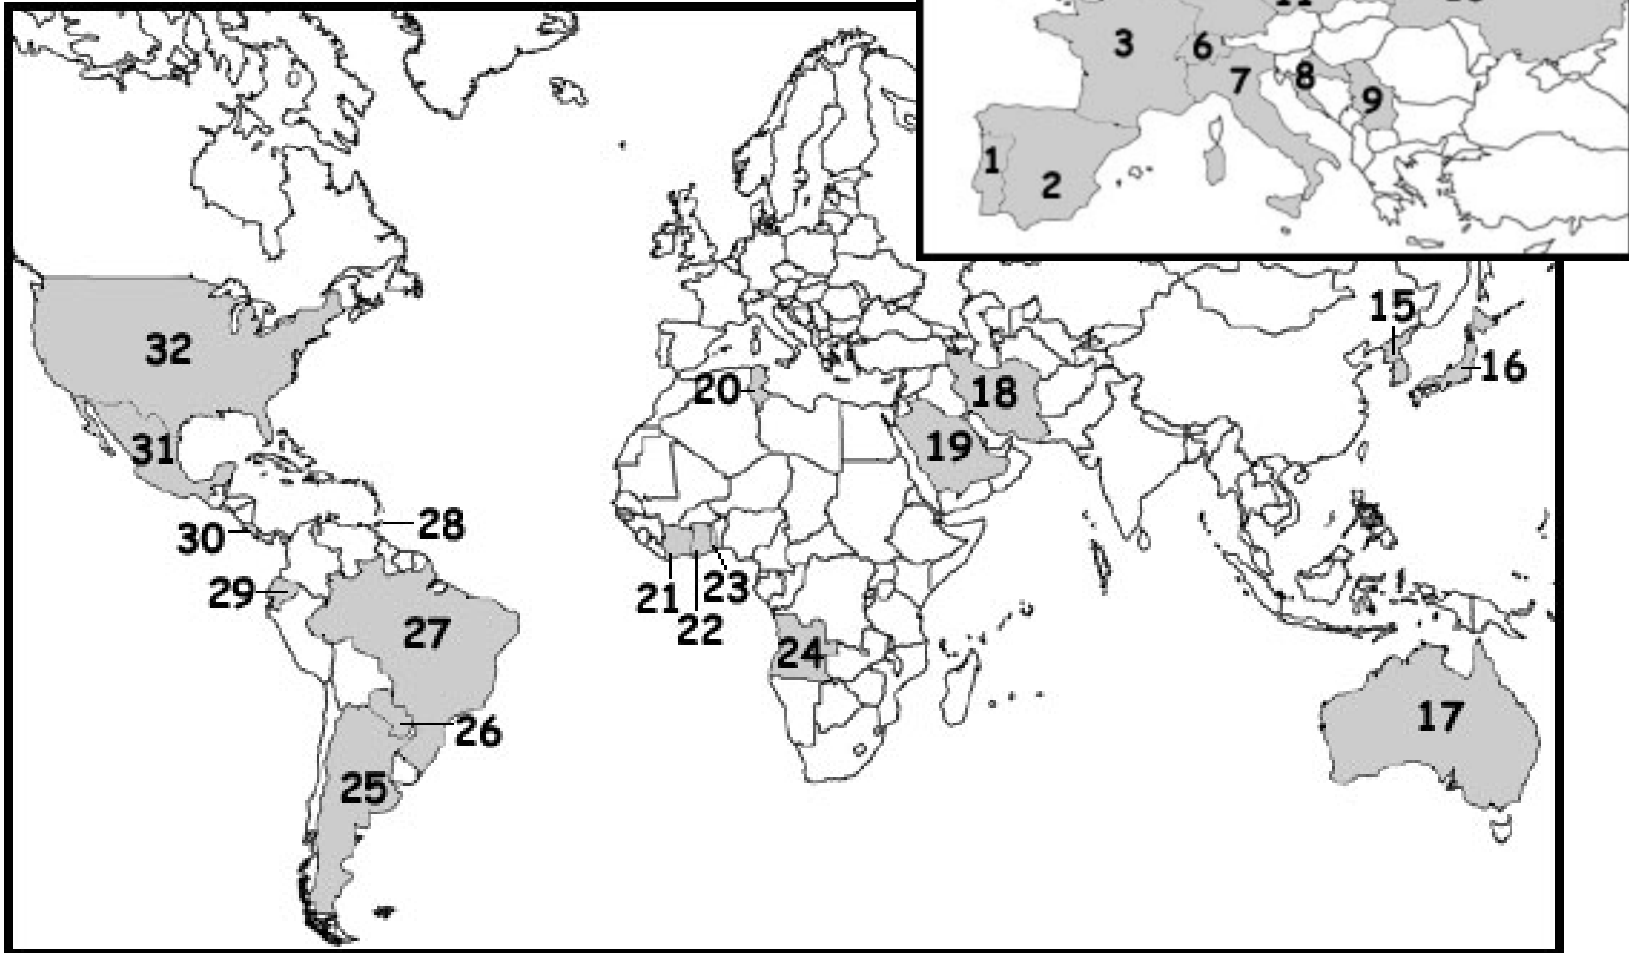

- **Learn the Countries** Match the numbers on the *Matching Countries* map to the flags and countries on the following page by writing the correct number in the blank next to the flag.
- **Matching Regions** (easy) Use the *Matching Regions* worksheet. Draw a line from each country to the correct region.
- **Learn the Regions** Thirty-two teams have qualified for the 2006 World Cup. Use a reference resource to find the region that each country is playing for, and complete the *Learn the Regions* chart.
- **Learn the Regions** Color each in each country in the *World Cup Pie Chart* with colored pencils. The color key at the bottom assigns a different color for each region.
- **Use Your Knowledge** Answer the *Countries and Regions* questions using the information from the map and/ or your research resource.
