INSTRUCTIONS FOR COMPLETING THE SUPPLEMENTAL APPLICATION FOR ADMISSION TO THE DOCTOR OF PHYSICAL THERAPY (DPT) PROGRAM

The attached supplemental forms are for admission to the Doctor of Physical Therapy (DPT) program. Pacific is participating in the Physical Therapy Centralized Application Service (PTCAS). PTCAS is an information clearinghouse which transmits to a physical therapy school the biographical and academic data required by admissions committees, thereby relieving the applicant of the burden of completing multiple and repetitious individual applications. Students applying to Pacific's DPT program must submit the application to PTCAS and submit the supplemental application to Pacific.

Your PTCAS application should include:

1. PTCAS Web-based Application form (www.ptcas.org), comprised of biographical data, post secondary institutions attended, academic course history, work experience, extracurricular activities, and essays.
2. PTCAS Application Fee.
3. Official transcripts with grades from all U.S. postsecondary institutions attended.
4. Foreign Transcript Evaluation report for all courses taken at foreign institutions, which are not Study Abroad courses (if applicable).
5. Documentation of completed PT observation/experience hours on PTCAS forms. (If observation/experience hours are completed after the application deadline, send verification of hours on official facility letterhead -signed by the supervising physical therapist - directly to University of the Pacific, Department of Physical Therapy, 3601 Pacific Ave, Stockton, CA 95211 by July 15, 2015.)
6. Three recommendations: one must be from an academic instructor from a school you have attended and one must be from a physical therapist. **Recommendations must be on PTCAS forms.**
7. Official Graduate Record Examination (GRE) scores are sent directly from the testing board to PTCAS: Code 0211.
8. TOEFL scores (if applicable).

Your supplemental application to Pacific should include:

1. The supplemental application is comprised of additional biographical data, prerequisite coursework, and work experience. Please download and complete the fillable PDF form, print, and mail to the address on the cover sheet.
2. Pacific's Supplemental Application Fee (\$50.00 payable by check or money order).
3. Foreign Transcripts Evaluation report and original foreign transcripts for undergraduate and graduate courses which are not Study Abroad courses. See "Special Instructions for International Students" for details.
4. International applicants: See "Special instructions for International Students" for additional information which must be supplied.

APPLICATION DEADLINE

PTCAS and supplemental applications are available online on July 1. The deadline for both applications and all supplemental materials is November 2, 2015.

IMPORTANT!! All supporting documents for PTCAS and the Pacific Supplemental Application must be received by November 2 to be considered complete. Please note in order to meet the deadline, PTCAS must receive all documents by 11:59 pm Eastern Standard Time (that's 8:59 pm Pacific time). Pacific must receive all documents by 11:59 pm Pacific Standard Time.

Applicants are reminded that transcripts and recommendations frequently take weeks, or even months to obtain. Pacific regrets that we cannot extend the deadline for students whose documents are delayed due to backlog or mishandling by the recommenders or schools. Applications submitted after the deadline will not be reviewed. Please note the non-refundable \$50.00 application fee is a processing fee and does not guarantee the review of your application if your documents are received after the deadline.

INTERVIEWS

Applicants will be notified by phone if they qualify for an interview. On-site interviews are required. Interviews are normally conducted on Fridays in late January and February. Travel arrangements for on-campus interviews are the responsibility of the student. Admissions offers are made within two to four weeks of the interview.

FINANCIAL ASSISTANCE

Applicants who are applying for financial aid must complete, by March 2, the Free Application for Federal Student Aid (FAFSA).

SPECIAL INSTRUCTIONS FOR INTERNATIONAL STUDENTS

International Students; If you are an international applicant, that is, neither a citizen nor a permanent resident of the United States, you must meet the regular physical therapy admission requirements of the Graduate School as well as the requirements listed below.

A translation should accompany documents in languages other than English. Please note that no action will be taken on an application unless all academic records are certified or official. **Also, please note that a credential evaluation from World Education Services must be sent to the Graduate School (not to PTCAS).**
3. Test of English as a Foreign Language (TOEFL) is required of all international applicants whose native language is not English. TOEFL is not required of applicants who have received a bachelor's degree from a US college or university.

At any time during the review process, University of the Pacific reserves the right to request original documents, course descriptions, and any other information pertinent to verifying the accuracy of your educational background. Pacific reserves the right to reject an evaluation completed by an external evaluation agency and to evaluate international documents in our office.
