

NET FORCE

VOLLEYBALL CLUB

MEMORANDUM AND UNDERSTANDING OF AGREEMENT

This writing recognizes that participant and parent(s) or legal guardian has been informed and acknowledges the following:

- 1. All participants and their parent(s) and/or legal guardian are responsible for payment of all scheduled fees and expenses incurred on their behalf while they are participants in the Net Force Volleyball Club (the Club).*
- 2. Participants who withdraw from the Club, prior to the last payment date of the current season, are responsible for payment of all fees, scheduled dues payments, expenses and/or other Club functions that the Club has committed to on the participant's behalf.*

All participants and their parent(s) or legal guardian understand that failure to pay in full, all fees and expenses due the Club, may result in legal action and/or the outstanding amount being turned over to a collection agency. Additionally, all participants and their parent(s) or legal guardians agree to pay all costs of collections, including reasonable attorney's fees. Participants delinquent with payment(s) may be prohibited from participating in Club activities until financial responsibilities have been met.

- 3. The Club, on occasion, may provide participants with extended no-interest payment plans. Such plans are at the sole discretion of the Club and must be coordinated with Club Director Mike Falk prior to the beginning of the season. Payment plans are not meant to be a pay-as-you-go plan. Participants are responsible for the entire Club fee regardless of any changes in a participant's status with the Club during the season.*
- 4. Those participants, who may have an approved extended payment agreement with the Director(s) of the Club, assume the same responsibility and obligation as those on the standard payment agreement schedule.*
- 5. Refunds may be provided at the sole discretion of the Club. Such instances are extremely rare. Team budgets are calculated assuming full payment of dues by all participants.*
- 6. By signing this Memorandum of Understanding and Agreement, said participant and parent(s) and/or legal guardian recognizes they have read and understand the Player/Parent/Coach Handbook in detail and fully understand and agree to and abide by its content. Furthermore, said participant and parent(s) and/or legal guardian will honor and accept any and all decisions as determined by the Director(s), Coaches, Administration, and Chaperones of the Club.*
- 7. By signing this Memorandum of Understanding and Agreement, said participant and parent(s) and/or legal guardian give permission to the Director(s) of the Club to use their photographs, names and likeness for advertisement and promotional media to promote the Club.*
