Proposal Title: _____

Partner Institution(s): _____

Activity Location: _____

PROPOSAL NARRATIVE (3 page maximum)

Please attach a narrative that describes the proposed project and the theme, rationale, and expected outcomes of the proposed activity. Please address how the proposed project aligns with the intent of I-GRO and the I-GRO category's criteria (refer to FAQs). Please also include a detailed project plan with timeline that addresses follow-on activities, specifically a plan for submitting follow-on grants to external funding sources.

PROPOSED BUDGET (Budget Form)

Please use the Budget Form to indicate how the requested funds will be spent. Cost-sharing is highly encouraged for Global Start-up and GAMES and is required for Global Discovery. Evidence of support from the college/department, the international partner(s), and/or an external funding source will be an important consideration in award decisions. Please indicate all cost-sharing and indicate the source of funds. Proposals that request funding to support activities that have already occurred or to replace funding for activities funded by other sources will not be considered.
