Why Group Benefits?

Government health plans can provide coverage for such basic medical expenses as hospital charges and doctors' fees. In case of disability, government plans (such as Employment Insurance, Canada/Quebec Pension Plan, Workers' Compensation Act, etc.) may provide some financial assistance.

But government plans provide only basic coverage. Medical expenses or a disability can create financial hardship for you and your family.

Private health care and disability programs supplement government plans and can provide benefits not available through any government plan, providing security for you and your family when you need it most.

Your Employer's Representative

Your employer is responsible for ensuring that all employees are covered for the Benefits to which they are entitled by reporting all new enrolments, terminations, changes, etc., and keeping all records up to date.

As a member of this Group Benefit Program, it is up to you to provide your employer with the necessary information to perform such duties.

Your Employer's Representative is _____
Phone Number: _____

Please record the name of your representative and the contact number in the space provided.

Applying for Group Benefits

To apply for Group Benefits, you must submit a completed [Enrolment or Re-enrolment Application form](#), available from your employer. Your employer then forwards the application to Manulife Financial.

Making Changes

To ensure that coverage is kept up to date for yourself and your dependents, it is vital that you report any changes to your employer. Such changes could include:

- change in Dependent Coverage
- change in Beneficiary
- applying for coverage previously waived
- change in Name

How to Submit a Claim

All claim forms, available from your employer, must be correctly completed, dated and signed. Remember, always provide your Group Policy Number, Plan Document Number and your Certificate number (found on your Group Benefit Card) to avoid any unnecessary delays in the processing of your claim.

Your employer can assist you in properly completing the forms, and answer any questions you may have about the claims process and your Group Benefit Program.

- your own occupation, during the Qualifying Period and the 24 months immediately following the Qualifying Period

All employees

The availability of work will not be considered by Manulife Financial in assessing your disability.

If you must hold a government permit or licence to perform the duties of your job, you will not be considered Totally Disabled solely because your permit or licence has been withdrawn or not renewed.

However, if the Employee is receiving benefit payments under the Long Term Disability benefit, he will be deemed to be Totally Disabled with respect to the Waiver of Premium benefit.

Entitlement Criteria

To be entitled to Waiver of Premium, you must meet the following criteria:

Your Group Benefits

You will not be required to satisfy any applicable Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 2 weeks after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Submitting a Claim

To submit a claim, you must complete the [Weekly Income Claim form](#) which is available from your employer. Your attending physician must also complete a portion of this form.

Written notification of loss must be submitted by you or on your behalf and received by the Employer or the Administrator at their respective Head Offices or at one of their local offices within 14 days from the date you were last actively at work.

A completed claim form must be submitted within 30 days from the end of the Qualifying Period.

Amount of Disability Benefit Payable

The amount of disability benefit payable to you is the Benefit Amount shown above reduced by any disability benefits you receive or are entitled to receive from the following sources for the same or related disability:

- Workers' Compensation or similar coverage
- Canada or Quebec Pension Plans, excluding dependent benefits
- any government motor vehicle automobile insurance plan or policy, unless prohibited by law
- earnings or payments from any employer, including severance payments and vacation pay, except that if you elect a different and lesser paid occupation not related to the Rehabilitation Program, your Disability Benefit will be reduced by only 50% of such income

If necessary, the amount of your benefit will be further reduced so that your total income from all sources does not exceed 85% of your pre-disability gross earnings (net earnings, if your benefit is non-taxable). All sources include those sources stated above and any benefit you are entitled to receive from:

- any group, association or franchise plan
- any retirement or pension plan
- earnings or payments from any employer, including severance payments and vacation pay
- self-employment
- any government plan, excluding Employment Insurance Benefits
- Canada or Quebec Pension Plans' dependent benefits

Once benefits become payable, the amount of your benefit will not be affected by any subsequent cost of living increase in benefits you are receiving from other sources.

Benefit Calculation Rules

Manulife Financial will apply the following rules in determining your disability benefit:

- benefits payable from other sources which began before the commencement of your current Disability will not be taken into account
- benefits payable from other sources will not be adjusted to take into account any difference between the tax status of those benefits and the benefit payable by Manulife Financial
- benefits payable by Manulife Financial to your pension plan, if stated as such under the Benefit Amount, will not be taken into account
- subsequent changes in benefits from other sources, other than cost of living increases, will be taken into consideration and a new benefit amount may be established
- benefits payable under individual disability income insurance will not be taken into account

Your Group Benefits

- for benefits payable other than on a monthly basis, a monthly equivalent of such benefit will be estimated by Manulife Financial, and
- if you do not apply for a benefit for which you are eligible, the amount of such benefit will be estimated by Manulife Financial and assumed to be paid

Pension Contribution

Employees contributing to the Pension Plan

While you are receiving disability benefit payments, Manulife Financial will pay your pension plan contribution, as specified under The Benefit. Payment will be sent on your behalf to the administrator of your pension plan.

Subrogation

If your disability is caused by another person and you have a legal right to recover damages, Manulife Financial will request that you complete a subrogation reimbursement agreement when you submit your Long Term Disability claim.

On settlement or judgement of your legal action, you will be required to reimburse Manulife Financial those amounts you recover which, when added to the disability benefits that Manulife Financial paid to you, exceed 100% of your lost income.

Tax Status of Benefits

The tax position of any payments you receive under this benefit depends on whether you or your employer pays the cost of the benefit.

If your employer pays a portion or all of the cost, then any disability benefit payments you receive will be taxable. If you pay the full cost of the benefit, then any disability benefit payments you receive will be non-taxable.

Payment of Disability Benefits

Disability benefit payments will be made monthly in arrears. Any payment for a period of less than one month will be made at a daily rate of one-thirtieth of your monthly benefit amount.

Rehabilitation Assistance

Once Manulife Financial determines that you are Totally Disabled, if appropriate, and at Manulife Financial's discretion, you may be offered rehabilitation to assist you in returning to gainful employment, either to your pre-disability occupation or to another occupation.

In considering whether Rehabilitation Assistance is appropriate for you, Manulife Financial will take into account:

- the nature, extent and expected duration of your disability
- your level of education, training or experience
- the nature, scope, objectives and cost of a Vocational Plan

- Vocational Plan

A Vocational Plan is a training or job placement program that is expected to facilitate your return to gainful employment.

Your Group Benefits

If it is determined that Rehabilitation Assistance is appropriate for you, in partnership with you and your employer, Manulife Financial will provide a structured Vocational Plan that will prepare you for a return to work, either:

- with your employer
- with an alternate employer
- in a self-employed capacity

- Disability Benefits During Rehabilitation

You will continue to be entitled to disability benefits while participating in the Vocational Plan. Benefits will be paid for up to 24 consecutive months. After such 24 months, benefits may be extended upon written approval of Manulife Financial for up to an additional 24 months, but in no event will benefits be payable for more than 48 months in a rehabilitation program during any one period of total disability. If you receive any earnings as part of the plan, your disability benefit will be reduced once your total income (your disability benefit plus your earnings) exceeds 100% of your pre-disability gross earnings; net earnings if your benefit is not taxable.

If you incur expenses in connection with the program and for which you have received prior approval from Manulife Financial, they will be reimbursed by Manulife Financial provided that, in Manulife Financial's opinion, they are reasonable and customary. Expenses which are payable through government programs or a third party insurer shall not be reimbursed by Manulife Financial.

If you cease to participate in the Vocational Plan because of a change in your medical status, Manulife Financial will require medical evidence documenting how your current medical status prevents you from continuing with the Vocational Plan.

If you are not available or do not co-operate or participate in the Vocational Plan, you will no longer be entitled to disability benefits.

Termination of Benefit Payments

Your disability benefit payments will cease on the earliest of:

- the date you cease to be Totally Disabled, as defined under this benefit
- for NSGEU Maintenance employees, the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability such that you are prevented from performing the essential duties of any occupation for which you are qualified, or may reasonably become qualified, by training, education or experience
- for NSGEU Non-Maintenance, FUNSCAD Unit I, FUNSCAD Unit II and Excluded employees, the date you do not supply Manulife Financial with appropriate medical evidence documenting how your illness or injury causes restrictions or lack of ability such that you are prevented from performing the essential duties of:
 - your own occupation, during the Qualifying Period and the following 24 months, and
 - any occupation for which you are qualified, or may reasonably become qualified, by training, education or experience, after the 24 months specified above
- the date you do not attend an examination by an examiner selected by Manulife Financial
- the date on which benefits have been paid up to the Maximum Benefit Period for this benefit
- the date of your death

Recurrent Disability

If you become Totally Disabled again from the same or related causes within 6 months from the end of the period for which Long Term Disability benefits were paid, Manulife Financial will treat the disability as a continuation of your previous disability.

You will not be required to satisfy the Qualifying Period again. The benefit payable to you will be based on your earnings as at the date of your previous disability. Benefits for all such recurrent disabilities will not be paid for a combined period longer than the Maximum Benefit Period for this benefit.

If the same disability recurs more than 6 months after the end of the period for which benefits were paid, such disability will be considered a separate disability.

Two disabilities which are due to unrelated causes are considered separate disabilities if they are separated by a return to work of at least one day.

Waiver of Premium

The premium for your Long Term Disability benefit will be waived during any period you are entitled to receive Long Term Disability benefit payments.

Submitting a Claim

To submit a claim, you must complete the [Long Term Disability claim form](#) which is available from your Plan Administrator. Your attending physician must also complete a portion of this form.

Disabilities During Sabbatical Leave While Out of Canada

If you become disabled while outside Canada while on a Sabbatical Leave, in order to be eligible for the Long Term Disability Income benefits of this Plan, Manulife Financial requires that you return to Canada for treatment for your disability.
