#### THE PINK TO GREEN TOOLKIT

This tool is part of *The Pink to Green Toolkit: Adding a Gender Lens to Green Jobs Training Programs*, created by Wider Opportunities for Women for the GreenWays initiative. All tools are available online at: [www.jff.org/pinktogreen](http://www.jff.org/pinktogreen)

The GreenWays initiative provides high-quality workforce services to employers and to workers seeking to advance their careers in the green economy. The initiative invests in 20 workforce partnerships across six diverse industry sectors

in eight metropolitan labor markets. It builds on JFF's approach of organizing employers and workforce resources into sectoral workforce partnerships to promote career advancement for lower-skilled workers. GreenWays is supported by grants from the U.S. Department of Labor through Pathways Out of Poverty and the Green Jobs Innovation Fund.
