

**Francis Parker Middle School**  
8th/9th Transition and Discovery Week Celebration  
April 29, 2015

We will hold our final eighth to ninth transition meeting on April 29 to support students' transition into the Upper School. In addition, we will celebrate the Discovery Week experience with student presentations about their travel and global development. We are also adding a potluck dinner this year, comprised of food from the countries to which our students traveled.

The schedule for the evening is:

4:30-5:15	Potluck Dinner in MS Courtyard
5:30-6:15	Upper School Class Registration Meeting
6:30-7:30	Discovery Week Celebration

If you are willing to contribute to the pot luck dinner, please either fill out the form below and return to Miss Cole by Tuesday, April 28, or fill out the form at the link: <http://tinyurl.com/DW15Potluck>

We would like to encourage you to involve your child in determining a recipe from the country they traveled to, perhaps a dish which they experienced while traveling. Also, we encourage you to have them help in making it. Please plan to make enough for 10 people. Students and families who did not travel are welcome to contribute to and/or partake in the potluck as well.

Please contact Christi Cole with any questions you have - [ccole@francisparker.org](mailto:ccole@francisparker.org)
