I, _____ (name) the undersigned, hereby state that _____ (I OR my parents) have filed an application to _____ (legalize my immigration status OR begin the process for citizenship of the United States) or will file as soon as I am eligible to do so. I also state that to the best of my knowledge, I am not eligible to enroll in a public postsecondary education institution located in another state upon payment of tuition and fees required of residents of that state.

Furthermore I understand the following also applies to this affidavit:

Any individual who: (1) Files an affidavit which contains false information; (2) fails to file an application to legalize such person's immigration status within one year of becoming eligible; (3) fails to begin the process for citizenship within one year of becoming eligible; or (4) fails to maintain an active application for citizenship after filing therefore shall not be deemed a resident of the state of Kansas for the purpose of tuition and fees; (5) fails to turn in appropriate documentation of above action within one year of signing this affidavit.

In addition, such individual shall be required to repay the difference between the amount of fees and tuition actually paid and the amount such person would have paid as an international student for the time such individual was enrolled as a Kansas resident.
