

St Andrews Botanic Garden Education Trust
GROWING ALPINES: THE EASY WAY

This class by the owner of an alpine nursery will concentrate on the best and easiest ways to get the most out of alpine plants, whether in the open garden, or in troughs and pots. It will include a trough planting demonstration during the two hours and there will be an information sheet for participants to take home

Tutor: Graeme Butler (Rumbling Bridge Nursery)
Date: Thursday 20 February 2014, 10.30am-12.30pm
Venue: Glass Class
Fee: £12.00

Coffee and tea provided (donations please).

Please use the attached application form to book your place(s).
