Retirement Options Form

You must be over age 55 (or eligible for early retirement due to ill-health) in order to take income from your Liberty SIPP.

If you haven't already done so, it is important that you seek advice from a suitably qualified adviser before making any decisions in respect of taking benefits. The Governments service 'Pension Wise' provides assistance and details of the options available to you in respect of accessing your pension savings. You can view this information at www.pensionwise.gov.uk which details what you can do with your pension pot, what to look out for with taxes and how to avoid pension scams.

As an uncrystallised funds pension lump sum needs to be paid as one single payment these will also be processed in line with Real Time Information requirements and be paid on the 28th of the month.

Section 3 – New Starter – Employee Details

The following information and 'Employee Statement' must be completed in order to receive a pension income.

If you have a copy of your P45 please enclose a copy of it with the form. For any crystallised benefits which are being transferred in we may receive a P45 from the transferring company. In the absence of this your payment will be taxed at an emergency tax code depending on your personal circumstances specified in the below 'Employee Statement'.

Section 6 - Member Declaration

I declare that to the best of my knowledge and belief the information contained in this form is true and complete and that based on the information provided by me Liberty will reasonably expect to treat this as up to date information on my other pension arrangements.

If I should exceed my lifetime allowance Liberty SIPP Limited will notify me of this and also provide details of any expected tax charge before proceeding with my request.

I understand that my pension will be taxed at an emergency tax code until HMRC inform Liberty of my tax code. The level of income tax paid maybe greater or less than required and I may be entitled to a tax rebate if too much tax has been deducted. I understand that I am responsible for reclaiming any tax or paying any additional tax to HMRC.

I understand that due to the HMRC requirement that PAYE must now be reported in real time (Real Time Information or RTI) Liberty must pay all pension income and tax on the same day of the month and this will be the 28th.

I am aware that I have a right to purchase a lifetime annuity from my accrued funds held within the scheme at any time.

I understand that by accessing my pension flexibly either through flexi-access drawdown or an uncrystallised funds lump sum my annual allowance for all money purchase schemes will be automatically reduced to £10,000. I understand that it is my responsibility to inform any other schemes I am a member of that my annual allowance has reduced, if applicable.

I understand that if by taking the income I have requested, this results in my SIPP being emptied, my account will be closed with any accrued interest being added and as a result of this I understand that this request shall be a full discharge of the liability of Liberty SIPP Limited and Liberty Trustees Limited in respect of the above plan.

Section 7 - Frequently Asked Questions

What is meant by Real Time Information (RTI)

Real Time Information (RTI) is a system of PAYE reporting that started in April 2013.

Under RTI, pension providers have to send information to HMRC each time they pay their members any taxable income which enables them to keep more accurate records and to ensure that over time people pay the correct tax.

As Liberty makes one submission to HMRC each month in respect of any member income this means that all members must be paid on the same day so that the information is reported in real time. This will be the 28th of each month.

In order to pay taxable income on the 28th of the month, when do Liberty SIPP need to receive the retirement options form?

Liberty SIPP Limited needs to have received your completed form by the 19th of the month in order to add the details to the payroll. Funds then need to be available in your account 2 working days before the 28th of the month. Where the 28th falls on a weekend or bank holiday any income will be paid on the last working day before and therefore funds will need to be available 2 working days before that date.

Tax codes

If you have a P45 from your previous employment which applies to the current tax year this will need to be sent to Liberty along with this form, or issued directly from the transferring company to Liberty, in order for the existing tax code to be applied. Please be aware some transferring companies will only issue this directly to you therefore this will need to be forwarded to Liberty.

The tax code can only be applied if Liberty is in receipt of the P45 document as this contains the full details in order for us to apply the tax code correctly.

In the absence of this document an emergency tax code will be applied.

What happens if I don't have a tax code?

If you do not have a tax code we will apply an Emergency Code on a Month 1 basis until HMRC issues a tax code which we will then be able to apply against future payments. The Emergency code for 2015/16 is 1060L. This will be applied according to the statement (A-C) which is selected on the 'New starter form' 'Employee statement'. Please see details below of how the tax is applied for each statement:

'A - This is my first job since last 6 April and I have not been receiving taxable Jobseeker's Allowance, Employment and Support Allowance, taxable Incapacity Benefit, State or Occupational Pension.'

1060L allowance given depends on earnings – Up to £2,648.33 per month tax will be applied at 20%, £2,648.83-£12,500 per month, tax will be applied at 40%, over £12,500, tax will be applied at 45%.

'B - This is now my only job but since last 6 April I have had another job, or received taxable Jobseeker's Allowance, Employment and Support Allowance or taxable Incapacity Benefit. I do not receive a State or Occupational Pension' 1060L allowance is given as above but on a month 1 basis

'C - As well as my new job, I have another job or receive a State or Occupational Pension.'

Tax will be applied at 20%

What happens if I pay too much tax?

This will depend on how much of your fund is withdrawn, please see details below:

a) You withdraw your entire pension fund

If you believe too much tax has been deducted from your payment, you will need to contact HMRC directly, HMRC will then require for you to complete a Repayment Claim Form P50, they will then complete any processes they need to and refund any overpayment of tax if this applies to your tax circumstances.

If you do not contact HMRC directly then your tax position will be reviewed by HMRC at the end of the tax year and a tax calculation will be sent to you detailing any under or overpayment of tax if this is applicable to you.

Please be aware any other earnings are taken into account when HMRC calculate your tax.

b) You withdraw part of the pension fund

If an emergency tax code is initially used for the deduction of tax from the payment and you believe too much tax has been deducted, HMRC should issue Liberty with a tax code which will be applied to the next payment to ensure the correct tax deductions are made – this will pick up the overpayment of tax if appropriate and result in a refund of tax where required.

If no further payments are taken in the tax year, HMRC will review this at the end of the tax year.

Please be aware any other earnings are taken into account when HMRC calculate your tax.

What is the minimum I can crystallise?

The minimum amount that can be crystallised is £1000.

When will the drawdown fee be charged?

When the member starts to take benefits from the SIPP the drawdown fee will not be charged if they are just taking their pension commencement lump sum. As soon as the member takes any income from either capped drawdown fund or flexi access drawdown fund, the drawdown fee will be charged on an annual basis until the SIPP is closed or transferred out.

When will the UFPLS fee be charged?

The UFPLS fee will be charged each time you take a lump sum from your SIPP. This is capped at £100 plus VAT a year.

When will the SIPP closure fees be charged?

The SIPP Closure fee will be charged when the SIPP is emptied through Flexi-Access Drawdown or an Uncrystallised Funds Pension Lump Sum.

Will I receive a P60?

Yes, Liberty SIPP will send you a P60 every year.
